

Michael Jackson

Stuart Boersma

Anne Egger

Bruce Palmquist

America's Top Math and Science Professors ARE AT CENTRAL WASHINGTON UNIVERSITY

Congratulations!

MICHAEL JACKSON, American Association of Physics Teachers Award for Excellence in Undergraduate Physics Teaching

STUART BOERSMA, Mathematical Association of America Distinguished Teaching Award

ANNE EGGER, *Science* magazine Prize for Inquiry-Based Instruction

BRUCE PALMQUIST, National Physics Teacher Education Coalition exclusive grant to support innovation in physics teaching

CWU specializes in *teaching* science, igniting curiosity about and discovering new talent for science and math. Students partner with faculty on research that makes science and math exciting and relevant. One-to-one attention from faculty who specialize in teaching makes these challenging fields accessible to students from all walks of life.

WE TEACH.
