

**Online Purchase Requisitions
Workflow Project**

The Financial Management eProcurement Purchase Requisition module went live on July 9, 2013. Appropriate end user training defined in the training plan will be provided after go-live. The first training session started on July 16th.

To sign up for early adopter training, visit the Training Course Calendar for a list of dates and times. To register for courses, please login to Wildcat Connection >> Employee Link >> Self-Service >> Self-Service >> Learning and Development >> Request Training Enrollment. Or login to Wildcat Connection >> Staff Safari >> Self-Service >> Learning and Development >> Request Training Enrollment. You may search by date or by the course number PUR001. Maximum seats available are 6 per session.
