Agenda:

1. Missed Class Policy process – Brian

The student and faculty surveys were shared with the group by email prior to the meeting. Committee members were asked to review the surveys and send feedback to Brian. The next step will be submitting the surveys to the Human Subjects Review Committee so that they can be administered in early May. The information collected will then be summarized and taken to the Faculty Senate Academic Affairs Committee in the fall.

2. GNAC Management Council meetings – Ethan

The GNAC Faculty Athletic Reps had their spring meeting recently. Discussions focused on issues within the conference.

3. Drug test appeal update – Laura

Laura explained that the subcommittee met with the student athlete and set a plan going forward. Athletics will also be revising some of their onboarding and orientation information and are considering doing training/reminders more than once.

4. Athletics Department updates - Dennis

Dennis gave a quick update of things happening in Athletics:
