Athletic Compliance Committee

I. Welcome

II. Actions-

ISSG Review and Approval to be sent to President

Gary Hyatt went through the institutional self-study that the committee has been working on for the last several months. He highlighted questions that we answer with a "no" and received feedback about how to proceed with each of those questions and if additional work was needed to correct any issues.

III. Items for Discussion

Welly Awards- Gary

The Welly Awards will happen in Hertz Hall at 6:00 PM on Wednesday, May 31. These awards are our version of the ESPY awards. Athletic Compliance Committee members are welcome to attend this event.

Priority Registration-Gary

The first pass at getting priority registration in policy went well. More to come on this soon.

Transfer Students Concerns-Ethan

Ethan Bergman discussed transfer student concerns related to community college transfers and the need, especially out of state students, to take additional coursework to complete General Education. There is a need for coaches to provide the information to potential student athletes so they are aware of this possibility before they arrive on campus.

Football Camp Legislation-Gary

Gary Hyatt and Dennis Francois discussed football camp legislation. They indicated an outside organization is attempting to find a location on a college campus, possibly CWU, for the camp to occur. This camp attracts potential college football players and college coaches as a recruiting tool. More to come on this.

NLI Release-Gary

Gary Hyatt also discussed the use of the National Letter of Intent.
