1 CWU Credit = .20 EHS Credit

Example: 5 CWU Credit = 1.0 EHS Credit

For purposes of transcript conversion, Ellensburg High School posts .2 Carnegie Units for each one (1) college credit.  
Example: 5 credit CWU class = 1 Carnegie Unit or EHS credit.

**It is the student's responsibility to verify that they are meeting graduation requirements while enrolled in Running Start.**

Course content equivalency in some cases will require two (2) CWU classes to be taken to satisfy an EHS required subject. College coursework of any kind (Running Start, Enrichment) must have advanced approval of the counselor in order to qualify for EHS credit toward graduation. Running Start students should meet with their counselor each quarter prior to registering for Running Start classes.
