

College of the Sciences Faculty Early Career Grant

Request for Support for 2020-2021 Academic Year

Deadline for Submission: December 15, 2019

Goal: To provide support to early career tenure-track faculty in meeting established performance expectations in scholarship.

Eligibility: Tenure-track faculty members on a six year tenure timeline in the College of the Sciences may apply in their 2nd or 3rd year on the tenure track for workload to be awarded in the 3rd or 4th year. Tenure-track faculty on a 4 or 5 year tenure timeline, may apply in their 2nd year for workload in their 3rd year. Faculty members are eligible only once in their career.

Requirements: Faculty receiving an Early Career Grant must have a detailed plan to produce a Category A product of scholarship defined by their department promotion and tenure criteria. At the end of the academic year for which the award is given, awardees will submit their product to the COTS Dean's Office. Please see <http://www.cwu.edu/sciences/faculty-funding> for proposal directions and templates. Incomplete proposals or those that do not use the templates will not be considered.

Support available: Up to 5 wlu to be used in one academic year.
