RE: S&A Fee Committee – Suspension of Supplemental Funding

At the November 17, 2021 meeting, the Service and Activities Fee Committee voted and approved the following motion:

Suspend supplemental funding requests for the remainder of the academic year.

The committee approved this motion in light of current student enrollment and the financial climate of the university. The committee made this motion to ensure the stability of the S&A budget and base funded programs. The suspension of the supplemental funding will remain in effect until June 30, 2022 and will be revisited by the S&A Fee Committee next academic year.
