**i. 1847 – Society for Industrial Organizational Psychology Conference - \$350.00**

Discussion: This sounds like a great opportunity and they have received more than half the funding from other areas.

**MOTION: Maddie Crowell made a motion to approve supplemental funding request #1847 in the amount of \$340.00. Stephanie Treichel seconded. Motion carried.**

**Other Business – Communications Received:** None.

**Public Comment:** Joey will reach out to CASA to find out why they did not show for their presentation.

Shelby wanted to voice her concern over the SwingCats receiving repeated funding. Funding an instructor for the club over and over when they should be doing more to help fund themselves. They could have asked for the whole year funding but did not as they were hopeful that their numbers would increase. SwingCats have been working on increased membership and trying to be self-funded.
