# SUSTAINABLE FOOD

## Film Screening

SUSTAINABLE is a telling of the instability of America's food system through the lens of U.S. farmers. It provides an essential perspective of agricultural issues and the people who work the land. What can we do to sustain our food system for future generations?

Matt Wechsler and Annie Speicher  
Hourglass Films, 2018

SPOON FULL  
FARM™

## Farmer Panel

Spoonfull is "loyal to soil!" Come hear about the way in which the 5 farmers work within their ecosystem to produce beautiful, quality food for their communities.

April 23rd, 5:00pm-7:30pm

Black Hall, 150

Room open at 4:30
