2026-2027 Residence Hall Reference Guide and Community Standards

Central Washington University is an EEO/AA/Title IX Institution. Central Washington University's policies and practices affirm and actively promote the rights of all individuals to equal opportunity in education and employment. Discrimination on the basis of race, color, creed, religion, national origin, sex, sexual orientation, gender identity and gender expression, age, marital status, disability, or status as a protected veteran is prohibited. The university provides an internal procedure for reporting discrimination and affords protection against retaliation for participating in the complaint process. Central Washington University complies with all applicable federal, state, and local laws, regulations, and executive orders including when soliciting bids and in the fulfillment of all contracts with governmental agencies. Persons of disability may request this material in alternative format or make arrangements for reasonable accommodation by calling Housing and Residence Life at 509-963-1831 or by emailing housing@cwu.edu.

As a public university, CWU often uses images and video of public campus life, events, ceremonies, and other university activities to advance the mission of the institution. By visiting, registering at, or being employed by CWU and being present in a public setting, you authorize the use of and reproduction by the university to any photographs or video taken while at CWU, without compensation. All photo and video files are university property, solely and completely.

HOUSING AND RESIDENCE LIFE

2026-2027

This student handbook is provided to help you maximize your residence hall experience. The information contained here can help:

- Enable you to become more familiar with our residence hall system, its services, programs, facilities, staff responsibilities, policies, and procedures;
- Acquaint you with the philosophy and goals of residence hall life at Central Washington University;
- Inform you of your rights and responsibilities as a residence hall community member;
- And serve as a reference guide throughout the year.

In addition, residence hall staff members are valuable resources who can provide clarification and information about the residence hall and campus communities. Please feel free to address any questions to hall staff.

LIFE IN YOUR RESIDENCE HALL

RESIDENCE HALL COORDINATORS (RHC)

RHCs are full-time professional university employees with at least a bachelor's degree. They are responsible for the overall management and administration of your hall. RHCs are available for support and information or to help you with any of your needs. These live-in professional staff can be reached by calling their office or the Residence Life office at 509-963-1323.

SENIOR RESIDENT ASSISTANT (SRA)

SRAs are sophomore and above students, with previous resident assistant experience, who work as peer leaders within hall staff teams. They serve as co-advisors to their hall's Residence Hall Leadership Council, assist with the facilitation and planning of the residential curriculum, and support university policies and procedures.

RESIDENT ASSISTANTS (RA)

RAs are here to answer your questions and provide referrals to university resources. They can help you with your academic, social, or personal concerns. They also plan programs and enforce policies and procedures. RAs help develop Community Living Agreements and are a valuable resource. Get to know your RAs!

CUSTODIAL STAFF

Custodial staff diligently clean and maintain community spaces such as lobbies and bathrooms.

MAINTENANCE STAFF

Maintenance staff will respond quickly to maintenance needs.

Call 509-963-3000 to request a work order. You may also go to cwu.edu/facility and submit a maintenance request.

All of these specially trained staff, including your neighbors, are here for you and are to be treated with respect at all times!

LIVE-IN REQUIREMENT

Unmarried, first-year students enrolled in seven college credits or more, under the age of 20, must live in a CWU residence hall for one academic year regardless of the number of earned college credits (WAC 106-156-010 and WAC 106-156-011). Running Start students entering college for the first time, regardless of class standing, are also required to live on campus for one academic year. Students requesting an exception to the policies must fill out an exemption form which can be found through their MyHousing portal or cwu.edu/housing.

MyHOUSING PORTAL

Your MyHousing portal is an important instrument while you live on campus. Here you will see your room assignment, sign up for housing, request to stay for breaks, sign up for move out times, and much more.

DORM vs. RESIDENCE HALL

It has been a long time since the days of "dorm" mothers and 10 p.m. curfews. For the next nine months, your residence hall will be your home and should be treated as such. It will be a place in which you will learn much about yourself, grow tremendously, and have a lot of fun!

Dorm (dorm) n.

1. place for sleeping 2. building or part of one with sleeping rooms.

Residence Hall (rez id enz hol) n.

1. where college students develop personally or mature

2. a college building in which experiences and programs result in positive growth.

EDUCATION IN RESIDENCE

OUR CURRICULAR MODEL

Our curricular model puts learning at the forefront of the residential experience at Central Washington University. This model allows us to deliver an intentional experience where our students learn about Self-Exploration, Community Living, University Success, and Responsible Citizenship. Through their residential experience, we believe we can help students to become responsible citizens who serve as a resource to the region and the state.

EDUCATIONAL PRIORITY

All parts of our curriculum stem from our Educational Priority:

“Through an intentional residential experience, our residents will transform into responsible citizens.”

Responsible citizens have knowledge about their role in their communities, their country, and their world and participate in activities that make their world a better place.

YOU AND YOUR ROOMMATE

This section was prepared to assist roommates in learning about one another so they may be able to live together. The variety of topics attempts to provide a broad cross-section of the potential encounters you will have when sharing living space. Your roommate needs to know your general personal background, your attitude and emotions, your values (feelings, attitudes, opinions), and personal preferences.

The term “sharing” is most important here because residence hall living requires a concept of cooperation, whether it is with your roommate or with other residents on your floor. You can begin with a willingness to share some of yourself with your roommate. Open and honest communication usually ensures a satisfactory roommate relationship.

The questions outlined below are provided to help you get started. Take each question separately—be open, be honest, and be complete. If you have difficulty talking about an issue or subject, make note of it and tell your roommate that you would like to come back to it.

PERSONAL BACKGROUND:

You should start by using the questions below to give your roommate some basic information about yourself—where you grew up, information about your schooling, family, hobbies, interests, etc. Try to offer more than “I’m from Renton and I’m interested in the outdoors.”

- Members of my family include:
- I am glad to be away from home because:
- I was not glad to leave home because:
- I chose Central Washington University because:

PERSONAL VALUES:

In this section, you are being challenged to communicate—try and share ideas, issues, and values. Learn what you should know about each other. This is the most crucial portion of the “You and Your Roommate” section, because it will help establish the basis for your living arrangements.

- How do I want our room to be utilized?
- I expect our room to be...
- Who will clean what and when?
- How about friends and visitors in our room?
- My feelings about my personal belongings are...
- My feelings about smoking are...
- Grades and studying are...
- I prefer to study...

ATTITUDES AND EMOTIONS:

Attitudes and emotions (our feelings and how we express them) are an important part of us. We convey feelings both verbally and non-verbally. This portion of “You and Your Roommate” encourages you to clarify the emotions and attitudes that you express.

- I am generally (reserved/outgoing/etc.)...
- My pet peeves are...
- When I am:
 - ...angry, I generally...
 - ...frustrated, I generally...
 - ...sad, I generally...
 - ...concerned, I generally...
 - ...excited, I generally...
 - ...happy, I generally...
- It is (easy/hard) to talk about my feelings. Why?

TEMPERATURE OF ROOM:

Do you like the room to be hotter or cooler? When is it okay to have the windows open? If you want to change the temperature, will you discuss it with your roommate first?

SLEEPING ARRANGEMENTS:

When do you usually go to bed? How much sleep is important for you to have? Can you sleep with the light on? With music or the TV on? What time will you wake up in the morning? How do you feel about overnight guests? When is it okay to have guests spend the night? How will you discuss this with your roommate if an issue arises?

QUIET AND STUDY TIME:

How do you feel about taking naps in the room? If you were making too much noise, how would you like your roommate to discuss this with you? When do you study? Is it OK to play music or have the TV on while you study? Would you prefer to have set study times? When you are studying with a group, is it alright to be in the room?

COMMUNICATION:

What do you need when you are stressed or upset? If there is a problem between you and your roommate, how will you handle it? Is there anything else you want your roommate to know about you?

CLEANING:

How neat and clean do you like things to be? Who will vacuum, dust, take out the trash and recycling, etc? Do you prefer to have special assignments or a cleaning schedule? How often will these things be done?

PERSONAL PROPERTY?

What items can be shared and which may not? Do you mind if people use your TV, computer, game console, etc? Do you want to be asked before things are borrowed?

VISITORS:

Are there times when it could be preferred that visitors not be invited to visit the room? How do you feel about visitors of the opposite sex? How do you feel about your roommate's visitors using your belongings?

OUR REACTIONS TO EACH OTHER:

Finally, you are at the point of drawing some conclusions and identifying positive and negative factors in your living situation with your roommate.

- Some things that I have learned from this discussion are...
- An important difference between us is...
- And we will work on this by...
- My roommate and I agree that we will do the following, if conflict occurs between us...

ROOMMATE AGREEMENT

Successful roommates stick things out by helping one another through the good and the bad times. Don't quit on your roommate. Communication is key in any relationship—especially with your new roommate! Developing a positive relationship with your roommate is a process. When you move into your residence hall, you will be provided with an online roommate agreement. We provide this agreement to you as a way to begin the process. As you write your agreement, try to be as specific as possible.

Roommates have the right...

- To read and study in one's room
- To be free from unreasonable noise
- To the respect and safety of personal property
- To have access to one's room and facilities without interference
- To be free of intimidation, harassment, physical and/or emotional harm
- To personal privacy
- To host guests (within established guidelines)
- To see reasonable cooperation from roommate(s)

Roommates have the responsibility...

- To adhere to rules and regulations
- To comply with reasonable requests made by staff or university officials
- To monitor and accept responsibility for the behavior of guests
- To report violations of rules and regulations to appropriate staff
- To respect the rights of others

LEADERSHIP OPPORTUNITIES

RESIDENCE HALL ASSOCIATION (RHA)

RHA, the largest student organization on campus, is a student-elected body that serves as a liaison between the students living in the residence halls and the university. RHA is a sounding board for residents' issues and concerns, promotes positive change, and offers a variety of educational and social activities based on student needs and interests. RHA executive board elections occur in the spring. The board is comprised of the following positions:

2026-2027 Officers

President: Kiri Lee

Vice President & NCC: Clara Wyckoff

Treasurer & Historian: Lizeth Martinez Arias

Secretary: Velvet Baguley

To contact the RHA office, call 509-963-7210, or email rha@cwu.edu. Full-time professional staff advise RHA.

RESIDENCE HALL LEADERSHIP COUNCIL (RHLC)

RHA serves as the umbrella organization for Residence Hall Leadership Council (RHLC) in each of the residence halls. Residents elect officers in each hall that will represent their residents' issues and concerns at RHA meetings. RHLCs also coordinate hall activities, community service projects, and participate in RHA campus-wide sponsored events. All residents are members of RHA and are encouraged to get involved in RHLC or RHA.

Elections for RHLC positions occur at the beginning of fall quarter. Students interested in a leadership opportunity are encouraged to run for a position. Information can be obtained by contacting RHA or a hall staff member.

SERVICES RENDERED BY THE UNIVERSITY

EMAIL/COMMUNICATION AND NOTIFICATION

Each student is assigned a CWU email address. This is considered the formal communication tool of the university and should be checked daily (both focused and other inbox). All package notification will be done through the CWU email accounts. In addition, all student conduct and community standards information will be sent to your email account and students are accountable to any meetings sent via email.

KITCHENS

Many residence halls have a community kitchen area. Residents who use the kitchen area are responsible for cleaning it after use. The residence hall may have utensils, pots, or pans to check out—contact your RA at office hours to check out items.

LAUNDRY ROOMS

Washers and dryers are provided by Housing and Residence Life. The laundry facilities within each hall are to be used solely by the residents of the respective hall. If a resident allows a non-resident to use the laundry facilities, the resident's account may be charged \$25. Laundry facilities are operated by either quarters or through the H Wash app. NOTE: The university is not responsible for lost or stolen items.

MAIL

Mail is delivered directly to the residence halls on regular postal delivery days (Monday through Friday—excluding holidays). An outgoing mailbox is available in the SURC.

PACKAGE DELIVERY

Delivery services (e.g. UPS, FedEx) deliver packages to the Residence Life Office. Once a package is delivered to the office, an email is sent to your CWU student email account. Your Connection Card is required to pick up a package.

UTILITIES

The university provides heat and electricity in each residence hall, plus water and sewer services to bathroom areas. Centrally located refuse/recycling containers are supplied for your garbage needs.

RESIDENCE HALL ENVIRONMENTS AND INFORMATION

BUILDING SECURITY AND PERSONAL SAFETY

Each resident has the responsibility for respecting building security. Buildings are locked 24 hours a day. Propping doors, including fire doors, is not permitted. To ensure maximum security, please observe the following guidelines:

- Make every effort NOT to lose room keys (or mailbox key where applicable)!
- It costs \$65 per key to replace a lost or stolen room and entry key.
- LOCK your room when sleeping or away. For added security, doors are equipped with peepholes and safety chains.
- DO NOT open building doors to anyone other than residents of the building.
- When walking around campus at night, students are encouraged to walk with friends and to be aware of emergency bluelight telephone locations. CWU has a Courtesy Assistance Team (C.A.T.) which provides safe walking companions for students, staff and visitors, primarily during hours of darkness to midnight.
- Do not trespass into areas of halls that are secure, such as rooftops, attics, basements, mechanical rooms, etc.

ENTRY OF STUDENT ROOMS

The university reserves the right to have authorized personnel enter a student room for any of the purposes specified below:

- Suspicion of harm to self or others.
- Maintenance, custodial inspections, or emergencies (occupants will be informed that maintenance staff has been present).
- Routine or requested maintenance (occupants will be informed that maintenance staff has been present).
- Search or arrest warrants (University Police only).
- Concerns about community safety or facility damage.
- Protection of life, property, or evidence of a crime (University Police only).
- Persistent noise coming from a room when occupants are not present.
- During break periods when the hall is closed.

If an authorized person enters a room when the resident is not present, a written note will be left indicating who entered the room, when they entered, and the reason for entering. Generally, staff will not enter a student's room to retrieve items for occupants who are not present or for other students who have left personal items in the room. Exceptions may be made, but staff will take precautions to protect themselves from possible liability and have the right to refuse such requests.

KEYS AND LOCK OUTS

Students who lock themselves out of their rooms should attempt to contact their roommate(s) first. If the roommate is unavailable, contact hall staff to have another key temporarily issued. If hall staff are unavailable between 8 a.m. and 7 p.m., contact the Residence Life Office at 509-963-1323. After 7 p.m. and on weekends, contact the RA on call. Upon request, produce identification to verify occupancy. If a resident locks themselves out two or more times per quarter, there may be a referral to Community Standards, fees, and termination of the Housing and Dining contract.

PARKING

Permits are required to park a vehicle in campus parking lots. Lots are posted with appropriate requirements. Please contact Parking Services to inquire about non-permit lots, policies, and fees. You can purchase a parking permit through your MyParking portal.

PAYMENT

Room and board fees are due the fifth instructional day of the quarter. For installments, please consult the residence halls and dining services payment schedule. All payments can be made through the student's MyCWU account online or at the Cashier's Office. Each payment should indicate the name and ID number of the student. Fees not paid on or before the first due date may be assessed a \$50 late fee and \$100 after the second due date. Failure to bring an account up to date within 10 working days after late fee assessment may result in cancellation of meal privileges and eviction. Please refer to Term 21 in the Housing and Dining Services Room and Board Contract.

RECYCLING

All residence halls participate in a recycling program and all recyclable materials must be deposited in designated areas.

SMOKE-FREE COMMUNITIES

All CWU residence halls are vape-free and smoke-free. In accordance with state law, vaping and smoking is prohibited within 25 feet of all university buildings.

SUBSTANCE-FREE COMMUNITY

Dugmore, Kamola, Beck, Davies, Hitchcock, Meisner, Quigley, Sparks, Wilson, Barto, and Wendell B are designated as communities free of alcohol presence or use. Residents will also take responsibility for their guests and will not allow guests in violation of this policy to enter the residence hall. Alcohol paraphernalia and containers (even empty) are not permitted in substance-free communities.

TRANSFER DAY

Room Transfer Requests can be submitted through your MyHousing page on Transfer Day, the third Thursday of each quarter. If the transfer is approved, students must move the day they are notified and will be given check-in and check-out instructions. If space is unavailable on Transfer Day, the Room Transfer Requests converts to the waitlist that will be consulted if spaces open throughout the quarter. Waitlists expire at the beginning of each quarter. Room changes will not be available the first three weeks of the quarter or after Transfer Day without approval from the Residence Hall Coordinator.

LIVING-LEARNING ENRICHMENT OPPORTUNITIES IN LIVING LEARNING COMMUNITIES (LLC)

AVIATION

Wendell Hill Hall B

Students involved with this LLC must be accepted into the Aviation Program. Students have attended events including visiting the Museum of Flight, FAA review study sessions, and community service projects at the local airport.

MUSIC

Wendell Hill Hall A

The Music LLC, located in Wendall Hall A, focuses on those who have declared or anticipate declaring a major or minor in music (music education, music performance, music composition, BA-bachelor of arts). Community members can expect programs designed to assist in the transition to the academic study of music, access to resources/professionals within the music profession, music entrepreneurship, live/virtual musical performances, community building, as well as creating a culture of diversity, equity, inclusion, and belonging through the study and performance of music.

TRANSFER

Stephens-Whitney Hall

The Transfer House LLC provides CWU's transfer students the opportunity to become acquainted with other transfer students who are new to CWU. The LLC will facilitate contact with the CWU Transfer Center and host activities to help students meet others and learn more about campus.

WILLIAM O. DOUGLAS HONORS COLLEGE

Barto

Students admitted into the William O. Douglas Honors College are eligible to live in this LLC. The DHC LLC will promote a spirit of discovery and open exchange of ideas in all disciplines to foster leadership, civic engagement, critical inquiry through undergraduate research, and academic rigor to encourage curiosity and innovation in the next generation of citizen scholars.

FIRE SAFETY EXPECTATIONS

Before a fire occurs, you should prepare by knowing the location of your fire extinguisher and the location and route of your escape via the closest exit. No items or persons should block or obstruct doorways or hallways. Fire exit paths should be clear at all times.

If a fire occurs, please follow the fire safety procedures outlined below:

- Keep your head low and move quickly to the nearest exit. Crawl, if you can, so you do not breathe smoke.
- Touch the door before opening it. Before touching the door handle, cover your hand for protection. Intense heat, deadly smoke, or gas may be on the other side. If the door is not hot, cautiously open it a few inches to check for heat, smoke, or flames on the other side. Keep your head out of the way while first opening the door and be ready to slam it shut if any heat or smoke rushes in.
- Do not waste time getting dressed, looking for keys, or gathering valuables. Leave the building immediately and stay out.
- Call the fire department (911) from a safe telephone and report the location of the fire. Stay on the telephone until instructed to hang up.
- Alert other occupants of the building and the residence hall staff.

COMMUNITY STANDARDS AND EXPECTATIONS

Residence hall policies exist to help create an environment that is conducive to your needs for safety, studying, socializing, and sleeping. We want to ensure your residence hall experience promotes your success at Central.

ABANDONED PROPERTY

When students leave property in the residence hall room or apartment, Housing and Residence Life staff will remove the property at a charge to the student. Additionally, a storage fee of \$10 per day may be charged to the student for a maximum of sixty days. If the property is not claimed at the end of sixty days, it is considered abandoned property, and the university disposes of this property.

If a student wishes to claim their property during the sixty days, they are required to contact Housing and Residence Life office at 509-963-1831 to make arrangements.

ALCOHOL AND OTHER DRUGS

The use of drugs, cannabis, and alcohol, including any substance that may alter the mind, body, and/or behavior of a person, can have a negative effect on your student life and academic success. At Central Washington University, we are committed to providing an atmosphere of learning and healthful living for students and have put into effect community standards that do not allow the misuse of alcohol and other drugs, on or off campus.

Housing and Residence Life's alcohol and other drugs community standards follow all local, state, and federal laws. Please note, students under the influence or in possession of alcohol or other drugs that are violating a local, state, or federal law on CWU's campus can be cited by University Police.

In support of a substance free and successful academic environment; Barto, Beck, Davies, Dugmore, Hitchcock, Kamola, Meisner, Quigley, Sparks, Wendell B, and Wilson, are designated as "Substance Free" communities. This means these residence halls are free of alcohol, while all of our residence halls are drug-free regardless of age.

1. Definitions in the alcohol policy
 - HRL means Housing and Residence Life
 - Paraphernalia includes alcohol-related items, containers intended for alcohol, and what are considered common source containers.
 - Of-age refers to 21 years or older; Underage refers to younger than 21 years old
 - Public intoxication refers to the exhibition of any disruptive behaviors while under the influence of alcohol that could threaten the welfare, health, and/or safety of one-self or others as well as behaviors that could result in damage to personal or CWU property.
 - This policy refers to non-CWU affiliate persons, students, CWU residents, and guests.
2. Underage persons may not buy, possess, consume, or otherwise acquire any alcoholic beverage. If you are underage, it is unlawful and violates HRL values and policy to possess any amount of alcohol in any container.
 - Possession of alcohol containers, whether full or empty, by persons underage is prohibited including for "decorative" purposes.
 - No person may sell, serve, or otherwise furnish alcoholic beverages to any underage person.
 - Knowingly being in the presence of alcohol is prohibited by persons underage. Residents of any age may not be in a room with someone who is violating alcohol policies.
 - Responsible alcohol consumption/possession is permitted in a private room/suite/apartment when all assigned residents, guests, and visitors are of-age and do not show signs of over-intoxication and/or behavior disruptive to their community and not in designated Substance Free Residence Halls. Alcohol consumption is not permitted in the common spaces including outside of campus residential communities.
 - Possession or consumption of alcohol anywhere within substance-free residence halls or living areas is prohibited.
 - It is also a violation of policy when consumption of alcohol, regardless of age or location, leads to public intoxication that disrupts the welfare of oneself, the community, or property.
3. Games and other behaviors that are designed to facilitate, promote, or replicate competitive, excessive, accelerated, or abusive consumption of alcoholic beverages are prohibited, even if only involving water, regardless of age. Equipment, supplies, and paraphernalia designed for use in these behaviors are prohibited and may be disposed of or confiscated.

Drugs, Possession or Use Of:

CANNABIS

Possession or use of cannabis in any amount by any person is prohibited by the University. Although [Washington State law](#) allows adults age 21 and older to possess cannabis for personal use, federal law prohibits marijuana possession and use of any kind. The University receives federal funds, therefore University residents must adhere to federal laws pertaining to possession and use of cannabis. Using/consuming drugs or cannabis (regardless of location) and then returning to your residence hall under the influence of, or carrying the smell of, the drug/cannabis is also a violation of the policy.

OTHER DRUGS

No person may possess, use, manufacture, cultivate, package, distribute, sell or provide a controlled or illegal drug or substance. No person may misuse prescription or nonprescription drugs; no person may possess or use drug paraphernalia. Drugs are defined as, but are not limited to:

- Any chemical substance, compound or combination used to induce an altered state
- Any otherwise lawfully available product, over-the-counter or prescription drug used for any purpose other than its intended use
- Any hallucinogen
- Any intoxicant other than alcohol (alcohol is addressed separately)
- Any nervous system depressant
- Any stimulant

Any student who remains in the presence of someone violating this drug policy may be subject to community standard and/or conduct sanctions.

ANIMALS

Students are not allowed to have animals in the residence halls except for aquarium-bound fish in tanks no larger than 10 gallons. Any other unapproved animals will be considered “pets” and are not allowed in a university housing building. Violators of this policy may be subject to disciplinary action, eviction and/or cleaning and damage fees up to \$500.

Other animals, such as companion, therapy, and comfort animals that are not specially trained to perform a disability-related service may not be allowed in CWU residence halls and/or university-owned apartments. Emotional Support Animal requests will go through Disability Services and, based on the recommendation from their office, the request will then be sent to Housing and Residence Life for further review. Qualified “service animals” (as defined by state and federal law) are allowed on the CWU campus and in Housing and Residence Life facilities.

Determination of eligibility is made on a case-by-case basis by Disability Services/ADA compliance officer and Housing and Residence Life. Students who have an approved ESA and/or Service Animal must abide by the approved animal care plan. The care of an approved animal is the student’s responsibility.

Central Washington University complies with all federal and state fair housing laws and regulations which are applicable to university housing, including those related to assistance animals. The United States Department of Housing and Urban Development (HUD) compliance guidelines define assistance animals as those that are verified by a qualified medical professional that the service animal accommodates the disabling condition and the rationale for the use of the service animal.

Disability Services collects and reviews disability documentation from students who request accommodation in university housing. Housing and Residence Life makes the formal decision regarding assistance animals in university housing. Students are responsible for the care of the service animal at all times. Students who have an approved service animal or an emotional support animal, need to abide by WAC 106-124-801 and the Emotional Support Animal Care Plan provided by Disability Services and Housing and Residence Life.

APPLIANCES

Residents’ safety is a top priority for Housing and Residence Life. Additionally, building electrical circuits have limited power loads so approved appliances are limited to preserve consistent power to each resident’s room. Residents are ONLY allowed to use the following listed appliances from below. All other appliances (including non-CWU provided refrigerators, toasters, air conditioners, etc.) will need to be approved through Housing and Residence Life in writing. Allowed appliances include:

- Individual beverage brewing system (Keurig, etc.)
- CWU provided microfridge

BICYCLES, SCOOTERS, SKATEBOARDS, OTHER PERSONAL WHEELED VEHICLES

WAC 106-116-901 is the guideline for on-campus bicycle safety, parking, and traffic regulations. Residents must follow specific regulations while operating personal wheeled vehicles on campus:

- Do not ride bicycles, scooters, skateboards, or other wheeled vehicles inside buildings at any time.
- Do not park and/or store bicycles, scooters, skateboards, or other wheeled vehicles in common-use spaces unless it is a designated bicycle storage space and permitted in writing by Housing and Residence Life. This includes lounges, stairwells, hallways, kitchens, studies, and any area that may be a safety hazard or hinder exit from rooms or buildings.
- Do not lean or park bicycles, scooters, skateboards, or other wheeled vehicles near or against windows.
- Bicycles, scooters, skateboards, or other wheeled vehicles parked on paths, sidewalks, stairwells, and catwalks, in buildings or near building exits may be impounded.
- Bicycles, scooters, skateboards, or other wheeled vehicles must be parked in racks.
- Bicycles, scooters, skateboards, or other wheeled vehicles can be stored in individual living space only if all roommates agree.
- Following spring closing, all bikes should be removed from bike racks or possibly face impoundment.

- You may register your bicycles, scooters, skateboards, or other wheeled vehicles with the University Police.

COMBUSTIBLE MATERIALS

Combustible materials such as propane, gasoline, kerosene, charcoal, and items containing combustible materials (i.e., motor vehicles) are not permitted in residence halls, bike racks, or within 25 feet of the building.

COMMUNITY SPACE

All residence halls provide community living space for socializing, studying, recreation, and programming. Each resident shares the responsibility for maintaining the cleanliness and function of these areas and using the space in appropriate ways.

Students are not permitted to sleep overnight in any community space. A sexual atmosphere, either on TV or in the space, is NEVER appropriate. Please see statement on Sexual Misconduct on page 13.

COMPLIANCE WITH UNIVERSITY OFFICIALS

Residents must always comply with the requests of university officials. These officials include but are not limited to professional and student staff members of Housing and Residence Life, University Police, Custodial and Facilities Maintenance. Failure to comply means refusing to obey the lawful or reasonable directive of a university official or authorized university body including a failure to identify oneself upon request, refusing to comply with a disciplinary sanction, or violating any no-contact or other protective orders.

False or deceptive conduct means dishonest conduct (other than academic dishonesty) that includes forgery, altering or falsifying of university records, furnishing false or misleading information to the university, or falsely accusing any person of misconduct.

DAMAGES TO ROOMS AND PUBLIC AREAS

Residents are accountable for damages which occur because of personal negligence, theft, vandalism, or other nonaccidental damaging or destruction. When found to be responsible, a resident may be charged for damages occurring in public areas, as well as in their room or another student's room. All damage charges are billed to the student's account.

DISRUPTIVE OR OBSTRUCTIVE BEHAVIOR

The term "disruptive" or "obstructive behavior" means conduct, not protected by law, that interferes with, impedes, or otherwise unreasonably hinders the normal teaching, learning, research, administrative, or other functions, procedures, services, programs, or activities of the university. The term includes disorderly conduct, breach of the peace, violation of local or university noise policies, lewd or obscene conduct, obstruction of pedestrian or vehicular traffic, tampering with student election processes, or interfering with the orderly conduct of university investigations or disciplinary proceedings, including interfering with or retaliating against any witness, party, or other participant.

DOOR/WINDOW DISPLAYS

No sign or display of any kind shall be displayed to the outside public in any window or balcony of a residential living space. Limited exceptions exist for signs or displays supporting events sponsored by the residence hall leadership council, resident assistants or approved by the residence hall coordinator. Residents are permitted to display items on their room doors including decorations and white boards to promote a positive living experience.

When decorating your room or room door, please refer to the guidelines below:

- Avoid material that a reasonable person might find offensive. (outlined in WAC 106-72)
- Don't post material that attacks, demeans, or otherwise exploits an individual or group of individuals.
- Do not permanently affix materials to the doors.

University staff reserve the right to ask students to remove any decorations from walls, doors, windows, balconies, floors, etc. Failure to comply or repeated offenses will be handled through the disciplinary process.

DROPPING OR THROWING SUBSTANCES OR OBJECTS FROM WINDOWS

For the safety of everyone, residents are not permitted to drop, hang, or throw objects from or at residence hall windows, balconies, or ledges. This includes, but is not limited to bodily fluids, snow, or substances of any kind. Residents must also refrain from throwing objects through windows from the outside. (This policy includes throwing keys to friends outside.)

ENTERING AND EXITING BUILDINGS

Residents and their guests may enter and exit buildings only through doors designated for entry and exit. Entry and exit through windows is prohibited.

FACILITIES USE/ACCESS

Residence hall building use approval is solely a designated responsibility of Housing and Residence Life (WAC 106-140-401). Common areas in residence halls (lounges and lobbies) are for the use of the building's residents and their guests. Only groups or individuals invited by residents or staff may make informative or educational presentations to hall residents in the hall lounge.

The residence hall staff will monitor and schedule such presentations. University Police and other campus safety officials have been approved to be present in the residence halls to interact and meet students.

No group or individual may schedule or advertise residence hall common space for regular meetings or activities (e.g., campus club meetings, Bible studies, political groups, etc.) except for activities directly sponsored by the hall and made available to all hall residents. Presentations or activities may not include the sale of products or services, nor may residence hall facilities be used for personal profit or gain. Door-to-door selling or solicitation is also prohibited (WAC 106-140-040). Meeting space in the Student Union and Recreation Center (SURC) for campus clubs and organizations can be requested through the University Scheduling Center. Usage of the Barto Hall lawn or lounge can be requested through the Residence Life Office.

FIRE ALARMS

When activated, the alarm sounds in the entire building, and EVERYONE must evacuate immediately. After activating an alarm, go to the nearest safe telephone (outside the building) and dial 911 to report the fire. Individuals falsely activating an alarm will face university disciplinary action, possible criminal prosecution, and may be charged for the cost of the fire department response, in addition to fines assessed by the university. Because of high-density population in the residence halls, the fire department responds to fire alarms with all available personnel and equipment. False alarms may leave the local fire department shorthanded in the event of a real fire.

FIRE DRILLS/EMERGENCY EVACUATION EXERCISES

Section 1303.3.5.1 of the 1994 edition of the Uniform Fire Code requires every residence hall to conduct a fire drill each quarter for the safety of staff and residents. All residents are required to exit the building within two minutes. University personnel are required to time the drill in each building. Failure to evacuate will result in disciplinary action and/or a \$100 fine and another evacuation exercise to meet the two-minute requirement.

FIRE SAFETY EQUIPMENT

Damaging or tampering with fire alarm apparatus or equipment (i.e. sounding false fire alarms - RCW 9.40.100) is prohibited. FIRE EXTINGUISHERS are strategically located throughout each residence hall. Carefully follow the instructions on the extinguisher and use them ONLY in the event of a fire. EXIT SIGNS are considered fire equipment and are placed to guide residents to exit routes in emergency situations. SMOKE DETECTORS also are sensitive pieces of fire equipment. Actions that result in the activation of a smoke detector, tampering with fire alarm apparatus and equipment (including removing batteries from smoke detectors), or false alarms may result in criminal penalties, as well as disciplinary action and/or fines.

FIRE ALARM APPARATUS AND FIRE EQUIPMENT ARE FOR EMERGENCIES ONLY! If a smoke detector is beeping, it is likely the battery needs to be replaced. Contact a custodian or call Facilities Maintenance at 509-963-3000 if a smoke detector is emitting a beeping sound. If batteries are removed without replacement, the resident is liable for a \$50 fine.

FURNITURE

Housing and Residence Life supplies each room with basic furniture, which differs depending on the hall. Students may bring their own furniture to supplement what is provided. However, university-owned furniture moved from a room or common-use area without prior written authorization from Housing and Residence Life may result in a charge of \$50 (or actual replacement cost), whichever is greater. Also, it is important to consult with your roommate prior to bringing furniture to your space so that all parties agree to have it in the room. University furniture may not be removed from the room.

GUESTS

Guests (non-residents of a particular hall and or individuals not assigned to a particular space) are expected to follow all policies of the university. Residents are responsible for their guests and all actions of the guests while in the halls. If a guest violates the Student Conduct Code or any residence hall policy, the resident will be held responsible for their guest's actions. Guests must be escorted by a resident in any area (excluding bathrooms). Guests are permitted to only use public restrooms or community restrooms designated for their identified gender. Guests may stay in a room only with the prior approval of the roommate(s). Guests may stay overnight no more than three days and two nights in any one week to not exceed 5 days in any given month anywhere in the building or in any residence hall on campus. Guests should never be given keys to access rooms or residence halls on campus. Guests may not be left in a building without the resident present. Also refer to Trespassing policy.

Cohabitation is defined as when a resident, contracted for that room, is sharing their space with a person who is not assigned to that room. Cohabitation that includes behavior that infringes upon the roommate's and/or living community member's right to privacy and sleep is PROHIBITED and, when brought to the attention of residence hall staff, may result in referral to conduct and/or eviction.

INCENSE AND OPEN FLAMES

Because of the risk of burning incense or an open flame left unattended, the use of such is prohibited in residence halls. Candles or lanterns may not be used even in a power outage. Residents are encouraged to have flashlights or similar devices to provide emergency lighting. If the smell is noticed from an open flame or something burning, staff will enter to investigate.

LOCKOUTS AND KEYS

For the safety of all residents, lost keys should be reported to hall staff immediately. Stolen keys should be reported to University Police. Keys may not be duplicated. Residents may not give their building, Connection Card, or room keys to anyone. For charges, refer to the Housing and Residence Life and Dining Services Room and Board Contract.

If a resident locks themselves out two or more times per quarter, there may be a referral to Community Standards, fees, and/or termination of the Housing and Dining contract.

LEDGES, ROOFTOPS, AND ATTICS

For students' safety and to protect against building damage, residents and their guests are never permitted on rooftops or ledges. Students are prohibited from entering any secure space such as attics, basements, or mechanical rooms or climbing railings or exteriors of buildings. Violation of this policy may result in referral to Community Standards and/or a university fine not less than \$50.

NOXIOUS ODORS

A noxious odor is any aroma of such intensity that it becomes apparent to others. Any odor can become noxious or offensive when it is too strong. Examples including but not limited to cannabis, vape, cigarette, cigar or pipe smoke, incense, perfume, air freshening spray, wax warmers or large amounts of dirty laundry. When a noxious odor can be localized to a particular room, the resident(s) and/or guests of that room may be in violation of housing community standards.

PERSONAL OFFENSES

The term "personal offense" is an offense against the safety or security of any person and includes physical assault, reckless endangerment, physical or verbal abuse, threats, intimidation, harassment, bullying, stalking, invasion of privacy, or other similar conduct that harms any person, is reasonably perceived as threatening the health or safety of any person or has the purpose or effect of unlawfully interfering with any person's rights. The term includes personal offenses committed by electronic means.

PERSONALIZING SPACE

Students may decorate their room with lamps, rugs, bedspreads, posters, and other personalized items as long as it does not damage the room or cause a fire safety hazard. Tapestries and other items hung from ceilings are not permitted. When the room is vacated, it must be returned to its original condition. Residents in violation of the outlined policies may be subject to disciplinary action and/or damage charges.

PRIVATE ENTERPRISE

The assignment or lease of any university property excludes the right to use the premises for business purposes, storage of salable commodities, or any purpose other than as a personal residence.

PUBLICITY AND LITERATURE

The distribution of free literature or commercial advertising is prohibited in residence halls and at the entries or exits of the buildings (WAC 106-140-034). Only U.S. Postal Service mail, individually addressed to the residents of the hall, and official university memorandums approved by Housing and Residence Life and/or designee will be distributed. Other than literature about hall activities, residence hall staff will not distribute literature to the residents of a hall. Local newspapers (e.g., Daily Record, Yakima Herald-Republic, etc.) may seek approval for occasional placement of newspaper samples in residence hall lobbies.

QUIET HOURS / NOISE ORDINANCE

The City of Ellensburg has a noise ordinance, which is enforced by University Police and other local law enforcement agencies.

Residence Hall quiet hours are from 10 P.M. to 7 A.M. daily and are consistent with the city noise ordinance. Students in violation of the noise ordinance may be cited by police and/or face university disciplinary action. Please note a noise violation from law enforcement is a \$513 fine that doubles each time after.

If other's noise is disturbing you, try talking to them first. If that doesn't work, call the Duty Phone for your building, and a staff member can help remedy the situation. Your staff can also help mediate a noise issue with neighbors.

The university asks that students always observe "courtesy hours" when quiet hours are not in effect. Students have a right be able to study in their room free from excessive noise. Noise should never be heard from a residence hall room to an outside location.

RESNET

ResNet is the broadband Internet connection provided to on-campus students living in CWU's apartments and residence halls. ResNet service, as well as technical support, is included as part of your housing contract. This service provides a 15.0 Mbps download speed.

PERSONAL ROUTERS AND WIRELESS ACCESS POINTS

These devices are not allowed on the ResNet network and are forbidden in the Acceptable Use Policy (AUP). Failure to comply with the conditions of the AUP will result in your Internet access being disabled and could result in disciplinary action by the Office of Student Rights and Responsibilities.

RECOMMENDED COMPUTER SPECIFICATIONS

PC: Windows 7, 8, or 10

MAC: Mac OS X 10.5 (Snow Leopard) or greater

Other:

- Network Interface Card (NIC) or Ethernet adapter if your computer does not have an Ethernet port.
- Network (category 5, Ethernet) cable. 15 feet is sufficient for most purposes.

SECURE YOUR SYSTEM

Be sure to keep your computer's anti-virus software, anti-spyware protection and operating system security patches are up-to-date. Virus, spyware, adware, and other malware may cause problems with your Internet connection and the general health of your computer.

Recommended free Malware Detection programs: Malwarebytes, Spybot Search and Destroy

Users of the ResNet network are required to abide by the ResNet Acceptable Use Policy (AUP). You will be required to complete a short quiz to demonstrate your understanding of the AUP before your device(s) are allowed on the network.

REGISTRATION

If you are connecting a device to our wired network, or if your device cannot log in to our wireless network with a username or password, you will need to register the device at: hostreg.resnet.cwu.edu. Note that this can only be done while you are on campus.

Some devices can only connect to the wireless internet after registration, so keep this in mind when trying to get things set up!

CWU-PLAY

ResNet also offers CWU-PLAY a wireless solution for devices that lack the ability to connect via our more secure CWU-WILDCATS, this is specifically designed for Smart TVs, Gaming devices and other internet-connected devices. To get started register your MAC Address at <https://hostreg.resnet.cwu.edu> once registered you will be given a simple password that will get you on the internet just like any home wireless system.

CONTACT US

For help with any of these processes, or for clarification on any of our policies and procedures, contact us at **509-963-2001** or via email at resnet@cwu.edu.

RESNET ACCEPTABLE USE POLICY (AUP)

CWU reserves the right to change this policy at will and it is the student's responsibility to know and understand the current policy. By using ResNet you are agreeing to the following:

1. You **will** have anti-virus and anti-malware software on your computer that is kept up to date and is configured to scan weekly. If your software is not up to date it may lead to an infection which in turn may result in your network access being disabled.
2. You **will** keep your computer updated for security fixes from the appropriate software update service (Windows Update on windows computers, Software Update on Apple computers). If your computer is not up to date it may lead to virus infection which in turn may result in your network access being disabled.
3. You **will not** use ANY peer-to-peer (P2P) or file sharing programs/applications (examples include Limewire, Cabos, Gnutella, eMule, Napster, and WinMX) on the ResNet network.
4. You **will not** extend the network through the use of routers (wired or wireless), bridges, or other network hardware.
5. You are **fully** responsible for your computer, including its hardware, software, and any network traffic transmitted by it, *regardless if this traffic was authorized by you or not*. Please contact ResNet if you have questions about whether or not certain software/hardware might conflict with this AUP.
6. You **will not** use applications that consume disproportionate bandwidth, attempt denial-of-service attack(s), probe and/or exploit security holes in other systems, use unauthorized IP addresses, attempt "hacking" or "cracking", or otherwise degrade or restrict network access for others (either on or off campus).

7. Your network access **will** be disabled if CWU receives complaints about or detects inappropriate behavior. You may also be subject to computer account suspension, university disciplinary action, and/or legal consequences.
8. You **may** use the Resnet network for personal uses such as: Web browsing, transferring files, playing games, chatting, “internet phone”, etc. *as long as access to these services is done in a legal manner.*
9. You **may** set up private servers for personal uses such as: game serving, local file sharing, or other applications *as long as these file servers do not violate CWU policies*, which includes but are not limited to software and music copyright protection. *These servers are only to be used by CWU students and may not be made available to non-residents.*
10. You **will not** use network connections in CWU housing to provide any service that is visible off campus (i.e., available on the global Internet). This applies to services such as, but not limited to, HTTP (Web), telnet, FTP, IRC, “Napster” type music sharing, game servers, and email.
11. You **will not** impersonate others or attempt to gain access to accounts or computers that you do not have permission to use, or spoof NIC MAC or IP addresses on any computer to gain access to the network.
12. You **will not** run a DHCP (Dynamic Host Configuration Protocol) server that listens on a network interface that is directly connected to ResNet.
13. You **will not** configure your computer to provide Internet or CWU network/ system access to anyone who is not a CWU faculty or staff member or student.
14. You **will not** configure your computer as a gateway into the CWU network (as a dial up server or any other means).

AUP VIOLATION PENALTIES

Penalties for AUP Violations are:

1st Offense: User’s internet/network access will be disabled for one week.

2nd Offense: User’s internet/network access will be disabled for two weeks.

3rd Offense: User’s internet/network access will be disabled until the student schedules a judicial review with the Office of Student Rights and Responsibilities for potential disciplinary actions.

RETALIATION

The term “retaliation” means harming, threatening, intimidating, coercing, or taking adverse action of any kind against a person because such person reported an alleged violation of this code or other university policy, provided information about an alleged violation, or participated as a witness or in any other capacity in a university investigation or disciplinary proceeding.

ROOMMATES

Residence hall staff will provide support and assistance to roommates in resolving conflicts. (Refer to Roommate Agreement on page 5.) Each roommate has a responsibility to report any violations occurring in the residence hall room. In addition, violation of roommate agreements that are established with the hall staff could lead to additional sanctions including a possible move from the room. Housing and Residence Life reserves the right to make administrative moves at any time. Refer to Changing Rooms and/or Halls on page 16.

ROOMMATE SPACE

There are times when a student has a double-occupancy contract but may live alone in a double room. It is a requirement for students to be prepared to have a student move into that space at any time. This means the bed is available, the closets are empty and clean, and the room is generally available for occupancy at any time. Additionally, you may not refuse a potential roommate, explicitly or implicitly. If the space is not available upon entry for a student, you will be required to make that space available for a student to be assigned into that space, and you may be assessed a room fee for the period the space was unavailable or until a new roommate is assigned whichever is greater and be referred to student conduct. This does NOT grant you a single room.

SANITATION AND CLEANLINESS

Any action or inaction that compromises the cleanliness of the hall environment or that is considered unsafe or unhealthy is prohibited. Upon notification, students shall comply with all Housing and Residence Life requests pertaining to correction of health and safety violations in and around their assigned room or in community spaces within the hall.

- Health Code: All residents shall comply with city, county, and state codes regarding health and safety.
- Improperly disposing of garbage: Students are responsible for the disposal of personal garbage. Garbage and recycling must be properly sorted and taken to the designated receptacles in or near the hall. Personal trash from resident rooms may not be put in community trash cans in the halls.
- Cleaning game: Skinning, cleaning, or butchering animals is strictly prohibited in the halls or the immediate vicinity.
- This policy may also include, but is not limited to, pest control; homemade tattoo and piercings; misuse of drinking fountains, sinks, showers, and toilets; failing to clean up after personal grooming; or not cleaning up after using community spaces within the hall.

SCREENS AND WINDOW STOPS

The university considers screens and window stops safety equipment. Removal of or damage to these items may result in disciplinary action, eviction and/or a university fine of \$50.

SEXUAL MISCONDUCT

Consistent with the university's policies on sexual misconduct, the residence hall communities maintain a living environment that is free from sexual misconduct. An individual found in violation of this policy will be subject to informal or formal disciplinary action. A pornographic theme in community space is never appropriate. If you need to report sexual misconduct, please contact the Title IX Coordinator.

SMOKING AND TOBACCO PRODUCTS

In accordance with state law, smoking is prohibited in university buildings. This includes balconies, catwalks, and stairwells to residence hall rooms and public areas. Out of common courtesy and in accordance with State law, we ask that smokers refrain from smoking near entrances, windows that open, and ventilation intakes, and to properly dispose of cigarette butts in appropriate receptacles. Hookahs of any type are not allowed to be activated inside residence hall spaces. Coals, used or unused, should not be brought into the residence halls. Electronic cigarettes and vaping devices are not allowed to be used inside residence hall spaces. Chewing tobacco is not allowed in substance free residence halls. Fees can be assessed for cleaning for those who violate smoking policy.

All current Washington State law, including possession of chewing tobacco, tobacco, e-cigarettes, vaping devices, etc., is applicable at the time of instatement.

SOLICITATION AND POSTING

Organizations may not solicit in the halls unless it's directly related to residence living. Approved solicitation requires prior approval by Housing and Residence Life. Organizations not related to Housing and Residence Life may have material posted provided they have been approved through the Director of Residence Life and stamped by the Scheduling Center (SURC Information Desk). Once approved, materials need to be delivered to the Residence Life Office for distribution.

If students wish to post elsewhere on campus, items must be stamped and approved by the Scheduling Office in the Student Union and Recreation Center.

SPORTS IN THE RESIDENCE HALLS

To promote consideration of others and to protect facilities and fire safety equipment, residents may not play sports in the residence halls. This includes, but is not limited to wrestling, running, skateboarding, hover boarding, riding bicycles, and the tossing, throwing, or kicking of any items.

TRESPASSING

Individuals that are not directly escorted by a building resident will be asked to leave the building. Guests of residents, whose behavior is not appropriate for the community, may also be asked to leave by hall staff and/or University Police Services. Residents are responsible for the behavior of their guests. The university also reserves the right to deny access to residential buildings to non-residents at any time. Also refer to Guests/Escorts policy on page 10.

UNAUTHORIZED ACCESS TO SPACE

No person shall enter a resident's space without expressed permission from the assigned resident. This does not include official university business, including facilities maintenance, custodial, and or Housing and Residence Life.

VIDEOTAPING AND CAMERA USE

No person may tape, audio record, take photographs of, capture images of, or otherwise view any person in a private location without the knowledge and express consent of the subject or all parties. No person may distribute or share photos or recordings of sexual activity or nudity in a private place without the knowledge and express consent of the subject or all parties. Private locations include, but are not limited to, residence hall rooms and common areas, bathrooms, lounges, and other areas where residents have a reasonable expectation of privacy. If the University has security cameras deployed inside residential buildings, reasonable posting will be present.

WATERBEDS

Waterbeds are not allowed in university housing.

WEAPONS

For the protection of everyone, Central Washington University has a strict firearms policy—WAC 106-124-700. No person shall have in their possession any gun, pistol, firearm, explosive, dangerous chemicals, or other dangerous weapon or instrument on university-owned or leased property. This includes BB guns, air soft guns, pellet guns, paintball guns, gel blasters, tasers, as well as archery equipment, long knives, and swords.

Additionally, not allowed are weapon components including but not limited: barrels, stocks, rifle uppers, rifle lowers, pistol frames, pistol slides, and high-capacity magazines (holding more than 10 rounds).

Ammunition cannot be stored in residence halls or apartments. Ammunition should be stored at an off-campus location.

Individuals in violation of this policy shall be subject to appropriate disciplinary action including possible termination of the individual's contract and/or lease agreement.

ABOUT THE HOUSING COMMUNITY STANDARDS PROCESS

Central Washington University students enjoy the same basic rights, privileges, and freedoms granted to all members of society. At the same time, acceptance of admission to the university carries with it an obligation to fulfill certain responsibilities and expectations as a member of the Central Washington University community. As a condition of enrollment at Central, students must assume responsibility for their own actions and maintain an environment conducive to the academic success, safety, and well-being of others. In addition, they are expected to be truthful, respect the rights of others, and abide by all university policies and procedures, as well as all local, state, and federal laws and regulations. All students are responsible for understanding and complying with the responsibilities and expectations set forth in this guide.

The Housing Community Standards process at Central is designed to be a learning process that promotes an understanding of students' responsibilities as members of the university community. The objectives of the housing community standards system, as set forth in this code, are twofold: to ensure that students act in a manner consistent with high standards of behavior and to maintain the safety and well-being of all members of the university community.

The housing community standards at Central is codified in Washington Administrative Code and is an administrative process that is independent of the criminal justice system. As such, **the housing community standards process at Central uses the preponderance of the evidence standard (known as "more likely than not")** when determining whether a violation of the housing community standards code has occurred.

Below is simplified information regarding the housing community standards process at Central. It is meant to serve as a supplement to the *Housing community standards Code* and in no way replaces any of the policies or procedures that are documented there.

GENERAL PROCESS

(for allegations involving Discrimination or Sexual Misconduct, see [Civil Rights and Title IX Compliance](#)).

1. **Complaint/Report:** A Complaint/Report is received by Housing and Residence Life and reviewed for possible community standards violations.
2. **Student Notification:** The student involved is sent notification via their University email account at least two days prior to a scheduled meeting with a Housing and Residence Life Professional Staff.
3. **Meeting:** The student individually meets with a Housing and Residence Life Professional Staff who asks for their perspective on the specific incident, reviews the incident report and discusses any other relevant information. Meetings and decisions take place whether the student is present or not. If a student is unable to attend the meeting, it is the student's responsibility to notify the Housing and Residence Life Professional Staff to request rescheduling.
4. **Decision:** After reviewing the available information, the Housing and Residence Life Professional Staff determines whether a violation has occurred, the student's responsibility for the violation, and any appropriate sanction(s).
5. **Decision Letter:** The student is notified of the determination made by the Housing and Residence Life Professional Staff in writing via their University email account within 2 business days of the conduct meeting.
6. **Sanctions (if applicable):** A student who is found in violation of University policy may receive sanctions that require action before the housing community standards process can be concluded. This may include attending workshops, writing essays, and/or other educational activities.
7. **Appeal (if applicable)**
8. **Review (if applicable)**

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act affords certain rights to students concerning their education records. The primary rights afforded are the right to inspect and review the education records, the right to seek to have the records amended, and the right to have some control over the disclosure of information from the records.

Education records are those records which are 1) directly related to a student and 2) maintained by an institution or a party acting for the institution. FERPA gives students who reach the age of eighteen or who attend a post-secondary institution the right to inspect and review their own records. An institution is not required to disclose information from a student's education records to

the parents of dependent students but may exercise its discretion to do so. Housing and Residence Life does not do this unless written approval has been granted by the student.

Section 952 of H.R.6, the Higher Education Amendments, allows institutions of higher education to disclose to parents violations of local, state and federal laws as well as institutional policies and rules governing use or possession of alcohol or controlled substances. Parental notification is one part of CWU's sanctioning procedure for underage alcohol use and other university violations.

The University reserves the right to contact parents regarding matters that concern students' safety and wellbeing.

RELEASE OF INFORMATION

Parents, guardians or other family members wishing to contact the university regarding a student's conduct, academic, or financial information must have a Release of Information on file with that specific student. This release states that the student gives a specific individual permission to access certain information regarding their student records. Without a release of information on file, no university official can share any information with anyone other than the specific student.

Students can change their release of information at any time and as many times as they would like by going to their MyCWU student dashboard.

FINANCIAL APPEAL PROCEDURE

WAC 106-124-011 FINANCIAL OBLIGATIONS OF STUDENTS - APPEAL PROCEDURE. Every student has the right to appeal an assessment by the university of a fee, fine, charge, debt, or other financial obligation by filing a written petition with the appropriate dean or non-academic area director, stating the student's reasons for challenging the validity of the assessed obligation. The written petition must be filed within 10 days after the notice of assessment is sent to the student. Housing and Residence Life Directors or their designee, shall review the university's decision to assess the fee, fine, charge, debt, or other financial obligation in light of the student's petition appealing the assessment and shall render a decision that shall be final.

Appeals regarding housing contracts, fees, or charges may be sent to Housing and Residence Life, Central Washington University, 400 E University Way, Ellensburg WA 98926-7513 or you can email Housing@cwu.edu.

MAINTENANCE AND RELATED SERVICES

REPORTING MAINTENANCE PROBLEMS

It is the resident's responsibility to immediately report room damages or deficiencies to either the senior resident assistant, RA, or facilities services at 509-963-3000 or cwu.edu/facilities so that repairs can be made. The response time will depend on the nature and severity of the maintenance problem, but we will respond to all problems in a timely manner. When calling about a maintenance problem, it is important to give your name, residence hall, room number, and telephone number. Please be very specific about the problem and location. We want to help keep your residence hall and room in an orderly condition by repairing items when they become faulty or damaged.

If a problem occurs after normal business hours or on weekends, contact the RA on-call phone number for your area and they will determine if the problem is severe enough to call a maintenance person. If you cannot locate your residence hall manager or RA and you believe there is an emergency maintenance problem, call facilities services at 509-963-3000, and they will notify the appropriate people. If you call University Police to report an emergency and a maintenance person is called, you may be charged for their time if it is not an emergency.

The definition of emergency maintenance is:

- Something that could or will cause physical harm to resident(s)
- Something that could or will cause physical damage to property or structures

Examples of emergency situations that require maintenance personnel to be called are:

- Gas leaks
- No heat (outside temperature is below 50 degrees)
- No electricity
- Water leaks or broken water lines
- Frozen water pipes
- Plugged sewer lines and/or toilets

Examples of non-emergency situations that do not require maintenance personnel to be called after normal business hours are:

- No hot water
- No heat when temperature is above 50 degrees
- Removing objects from drains such as contact lenses, rings, etc.

- Plugged sinks or bathtubs

Report all necessary repairs immediately—minor problems can quickly become major ones with major repair costs to match. All maintenance costs to Housing and Residence Life are eventually reflected in room and board rates. If your neglect or abuse causes damage, you are liable for repair/maintenance.

Residents are not permitted to modify either the inside or outside structure of their room or the room area without written permission from Housing and Residence Life. This includes adding additional shelving, painting, papering, and installing air conditioning units or antennas.

Maintenance personnel usually are on a tight schedule and unable to perform maintenance that is not listed on the work order. If you need additional maintenance repairs, call and request another work order.

MAINTENANCE PERSONNEL RESPONSE PROCEDURE

The university shall respect the student's right to privacy. However, the university maintains the right to have authorized entry into your room when there is reasonable cause to believe that:

- There exists an immediate threat to the health or safety of the occupants.
- There exists a need to protect property (university or private).
- It is necessary for university personnel to close and secure a room or to repair, replace, or inspect university property.

The university also reserves the right to enter a room without notice during reasonable hours when necessary to provide maintenance, service, repairs, improvements, etc., or to make inspections when no one is home. A card will be left by maintenance or housing personnel stating when they were in your residence hall room and what was done. The times between 9 a.m. and 5:30 p.m. have been designated as reasonable maintenance times.

When responding to a maintenance request or need, staff are to:

- Knock on the door of the room, wait 15 to 20 seconds, and knock again. If there is no answer at the door or no indication that someone is home, they are to use their master keys, open the door six or seven inches and call out to see if anybody is home by announcing themselves. If there is no answer, they are to proceed into the room and do the necessary work.
- Clean up behind themselves after a job is completed.
- Report any breakage or damage beyond normal wear and tear for billing to the resident.

Report all pest concerns to Housing and Residence Life at housing@cwu.edu or via phone at 509-963-1831.

BATHROOMS

Residents are responsible for cleaning bathrooms in their rooms or suites. Common-use bathrooms are maintained by the custodial staff, but please be respectful of other residents and custodial staff and keep them clean. Notify residence hall staff and/or Facilities Management at 509-963-3000 for any maintenance problems.

RADIATORS

Most rooms are equipped with their own steam radiator that is controlled by adjusting the thermostat mounted on the wall of the room. During freezing weather, NEVER COMPLETELY TURN RADIATORS OFF! Doing so may cause the radiator to freeze and result in extensive water damage. The cost of repair is the RESIDENT'S responsibility. Keep electrical wires away from heat sources; the vinyl covering can melt and create a hazard. Problems with the radiators should be reported to Facilities Management at 509-963-3000.

MOVING IN

CHECK-IN PROCEDURE

When you arrive on CWU's campus, students will follow the move in directions and route to their check in area. Students will check in and receive their key(s) to their room and mailbox, if needed. Every student will complete a Room Condition Report to note any damage that may be in the room and then begin the move in process.

CHANGING ROOMS AND/OR HALLS

Housing and Residence Life is committed to maintaining flexibility in room assignments. Requests for transfers are accepted at Housing and Residence Life at the beginning of each quarter on Transfer Day (the third Thursday of each quarter) on a first-come, first-served basis. Requests are made through MyHousing. If a request cannot be accommodated, the resident's name will be placed on a waiting list. Room transfers are not permitted prior to Transfer Day without written Housing and Residence Life approval. Students who change rooms without proper authorization from Housing and Residence Life will be charged a minimum of \$25, will be required to move back to original assignment, and the incident will be forwarded to the Student Rights and Responsibilities office. When the request is approved, students are required to move within 48 hours.

After Transfer Day, residents may contact their Residence Hall Coordinator to discuss potential room transfers. The transfer needs residence hall staff approval. **The staff will request any student wanting to move after Transfer Day because of roommate conflicts to meet with the staff member and the roommate with whom the individual has a problem.** The professional staff and Housing and Residence Life will consult on the feasibility of a move and will make the final decision on any room changes. There are times of the quarter where room transfers are not allowed due to incoming students or other student needs.

ACCOMMODATIONS DURING BREAK

Students are asked to vacate their rooms within 24 hours of their last final examination of the quarter. Accommodations during applicable break periods are not included in the contract. Residence halls close during Winter Break but remain open at no charge for Spring Break.

PERSONAL DAMAGES / LOSS LIABILITIES

The university accepts no responsibility for loss to the student because of earthquakes, power outages, fire, theft, or water damage, or for loss of monies, valuables, or other personal property. Housing and Residence Life has information on property insurance that is available through a private insurance carrier.

MOVING OUT

TERMINATION OF CONTRACT

The student may terminate this contact at will under the provisions, terms, and conditions noted in Term 16 of the Housing and Residence Life and Dining Services Room and Board Contract.

Petitions to cancel for exceptional reasons can be picked up and submitted to the Housing Services Office. Each petition will be reviewed on its merits and a decision rendered in a timely manner.

If you wish to move into an on-campus apartment, consult with Housing and Residence Life for eligibility and availability. Moving from a residence hall to an on-campus apartment is not considered a breach of contract. Prior to the approval of your transfer, you will be required to pay an overhead charge in the form of a mandated debit account to Dining Services as described in Term 16c of the Housing and Residence Life and Dining Services Room and Board Contract. The overhead charge is \$100 per quarter for each quarter remaining on your residence hall contract (the current quarter counts as ONE quarter.) This pre-paid account is valid for dining purchases only and is not refundable. The account will be closed at the end of the current academic year.

If the student needs to withdraw from the university, the offices of Academic Services, Financial Aid Office (if it reverses aid), Dean of Student Success, and Housing and Residence Life must be contacted. Students are required to vacate within 24 hours of withdrawal.

CHECK-OUT PROCEDURE

When you vacate your residence, you must sign up for a checkout time at least 24 hours in advance of when you decide to leave. You will also complete a check-out room condition report, the same form you filled out at check in. Clean the room before checkout time to the quality it was or better when you moved in. At checkout time you are required to return all university-issued keys for your room and hall. Be aware that discrepancies in your check-in and check-out information addressing damages or loss to university property may result in a charge to your account, as well as a cleaning fee when necessary. Students are charged for the room until a check out is completed.

IMPROPER CHECK OUT

Not surrendering your keys, cleaning your room, and/or restoring the room to original check-in condition (except for maintenance problems that were reported during check in), and failure to be prepared for your scheduled checkout may result in an improper check-out fee of \$35, charges for unsurrendered keys, and possible liability for continuing rent.

To checkout during the academic year, contact residence hall staff 24 hours prior to your check out to schedule an appointment. At the end of each term, look for instructions that may increase checkout appointment expectations and instructions.

UNIVERSITY POLICE SERVICES

University Police and Public Safety is responsible for reporting crime statistics in compliance with the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.” Central’s annual security report is available at cwu.edu/police. It contains information regarding crime prevention programs, the law enforcement authority of the University Police, policies concerning the reporting of crime, crime statistics for the most recent three-year period, and other information about security that is required by law. A paper copy of the information is also available upon request by writing to: Central Washington University Police, 400 E University Way, Ellensburg, WA 98926-7527.

MEAL PLANS 101

DINING MEAL PLANS

Students living in on-campus residence halls are required to have a Residential Meal Plan, per their Room and Board Contract. On-campus residential meal plans are only available to students living in residence halls and in on-campus apartments. Dining Dollars can be used at all dining locations on campus. (Dining Dollars can only be used at dining locations and cannot be used at the Wildcat Shop.) Meal Plans are billed to your student account, just like tuition - and just like tuition, they can be paid for with scholarships or financial aid.

Residential Meal Plans: CWU's Residential Meal Plans are a high-value, highly flexible option for students to self-manage their diet and nutrition on campus. Dining Services provides a huge variety of fresh, delicious options available year-round. On a meal plan, students are empowered to take care of themselves and to design the university experience most suited to them.

The meal plans operate in two phases. First, at the start of every quarter, Dining Services collects the Overhead Costs portion of your Meal Plan. Think of this money as an investment - by collecting it upfront Dining Services can ensure that all students are supported and provided with everything they need to succeed for the duration of the quarter. This investment opens access to economies of scale, allowing Dining Services to provide:

- Extended hours at dining locations
- Higher quality ingredients
- Lower food costs to students

Second, the remaining balance of your meal plan is added to your Connection Card account as Dining Dollars. Dining Dollars are spent at dining locations, and as the Overhead Costs have already been accounted for, students on a meal plan paying with Dining Dollars only pay for the cost of the ingredients. This means a 65% reduction from the list price at dining locations and a 25% reduction at the campus café and market locations. You can view the various Residential Meal Plan options and pricing at cwu.edu/dining/meal-plans.

Important Information: For students on a Residential Meal Plan, the new quarterly meal plan balance will automatically be added to your card at the beginning of each quarter. This dollar amount will be in addition to all remaining dining plan funds left over from the previous quarter.

At the end of each Spring quarter, all remaining Dining Dollars are non-reimbursable, will be forfeited, and will not roll over to Summer or Fall quarters.

Apartment Meal Plans: Students living in a CWU-owned apartment may also elect to participate in Residential Meal Plans. These plans are optional for on-campus apartment residents. The same rates and discounts apply. For students on a Residential Meal Plan the new quarterly meal plan balance will automatically be added to your card at the beginning of each quarter. Any leftover Dining Dollars will roll over to the following quarter (Fall to Winter, Winter to Spring), even if the student does not enroll in a meal plan the following quarter. All roll-over Dining Dollars must be used by the end of Spring quarter. At the end of each Spring quarter, all remaining Dining Dollars are non-reimbursable, will be forfeited, and will not roll over to Summer or Fall quarters.

In addition to Residential Meal Plans, students living in a CWU-owned apartment may also elect to participate in the Apartment Flex Meal Plans. Apartment Flex Plan participants receive 10 percent off at all on-campus dining locations when they use their meal plan funds. After selecting an Apartment Flex Plan the funds will be added onto their Connection Card. For students on an Apartment Flex Plan, the new quarterly meal plan balance will automatically be added to your card at the beginning of each quarter. This dollar amount will be in addition to all remaining dining plan funds left over from the previous quarter. At the end of each Spring quarter, all remaining funds are non-reimbursable, will be forfeited, and will not roll over to Summer or Fall quarters.

Meal Plan Changes: Meal plans can only be changed at the beginning of each quarter during the add/drop period. Modifications to meal plans can be made online through MyCWU or in person at the Connection Card office. (Changes cannot be made over the phone.)

Add/Drop Periods:

Additional information about add/drop dates can be found at cwu.edu/dining.

MEAL PLAN OPTIONS AND PRICING

Options and pricing for meal plans for the academic year can be found at cwu.edu/dining/meal-plans.

WILDCAT BUCKS

Students on Resident Meal Plans C, D, or an Apartment Flex Plan who run out of meal plan funds before the end of a quarter can add Wildcat Bucks to their Connection Card. Use Wildcat Bucks at any Dining Services location on campus by swiping your Connection Card and receive 10 percent off your purchase. Download the GET Mobile app to add Wildcat Bucks directly to your card. Simply log in with your CWU credentials and add a credit card to your account.

If meal plan funds run out before the end of a quarter, only students on plans A or B may add Dining Dollars to their account without incurring additional overhead costs. Students on plans C or D cannot add additional Dining Dollars to their plan but can add Wildcat Bucks at cwu.edu/card/wildcat-bucks.

Wildcat Bucks can also be added:

- Online on the GET website at get.cbord.com/cwu
- In person at the Cashier's Office (with cash, check, debit, or credit card)
- In person at the Connection Card office (debit/credit card only)

- Over the phone through the Connection Card office at 509-963-2711 (credit/debit card only)
- Through the GET Mobile App (download via the app store)

Learn more at cwu.edu/card.

**The residential meal plan discount does not apply to Wildcat Bucks.*

***Wildcat Bucks can be used at the Wildcat Shop, but purchases made at the Wildcat Shop are not eligible for a 10 percent discount.*

YOUR MEAL PLAN TOP 5

1. Each plan is an account set up with prepaid funds for purchasing meals and snacks on campus. The cost of each meal/food item you purchase is deducted from your meal plan account balance.
2. Your meal plan option may be changed at the beginning of each quarter, until the “Add-Drop” period closes. Otherwise, no changes will be allowed. These changes are made at the Connection Card office inside the Student Union and Recreation Center.
3. Unused funds in your meal plan account carry over from Fall quarter to Winter quarter and Winter quarter to Spring quarter. There are no refunds or credits of unused funds at the end of Spring quarter. You are responsible to manage your meal plan account balance. The Connection Card or Dining Services office staff can assist you in reviewing your meal plan options to make sure you have selected the correct plan for your needs.
4. You may purchase meals/snacks for guests with your meal plan account.
5. If you run short on funds, you can add Wildcat Bucks to use or also inquire on increasing your meal plan level. The Connection Card or Dining Services office staff can assist you with both.

GET CONNECTED

YOUR CWU CONNECTION CARD

After you select a meal plan that fits your needs, your Connection Card is your ticket to all dining locations on campus and serves as your campus identification card. Your Connection Card is linked to your meal plan and acts like a debit card. Each time you purchase a meal, snack, or item in one of our dining locations, simply present your card to the cashier and the amount of the purchase is deducted from your account balance. Remember, you will need your Connection Card to make purchases in all dining locations, so don’t leave home without it!

IMPORTANT FACTS ABOUT YOUR CONNECTION CARD

1. Your Connection Card is non-transferable. ONLY YOU CAN USE IT. A misuse fee of \$100 will be assessed if you loan your card to anyone (listed in your contract).
2. If you lose your Connection Card, you must purchase a replacement card for \$20 (\$35 if used as a key access card). A replacement fee is also in effect for cards that show intentional damage, such as hole punches, writing, bite marks, etc. Cards that do not work properly due to normal wear and tear may be replaced for free.
3. Your Connection Card is valid only as long as you are enrolled as a student at CWU. The Connection Card Office is located in the Student Union and Recreation Center (SURC) at the Information Desk. The office is open from 8 a.m. to 5 p.m., Monday through Friday.

NUTRITION: A HEALTHY FOUNDATION

Here at Dining Services, we believe that nutrition is the foundation for a healthy lifestyle. We strive to offer a wide variety of foods that satisfy everyone’s needs in meeting personal dietary goals. As a CWU student, you may schedule an appointment with our registered dietitian here on campus. Our nutrition staff encourages you to form balanced and nutritious eating habits as your foundation for a successful academic career. Contact the Dining Services office at 509-963-1591 or dining@cwu.edu to find out more about these services.
