### Executive Board Report:

- **Chair: Olivia Durham**

I've been processing funds requests, working hard to finish up my classes, and working to try and make the office, as a whole, more organized so that we can start spring quarter off on the right foot.

- **Executive Assistant: Morgan Leblanc**

Other than wrapping up the quarter, we've been working to plan next quarter's President's Round Table and the catered constitution revision workshop.

- **Community Programmer: Hannah Barclay**

I met with two students to speak about how we can address issues on campus regarding the homeless and how we, as a community, can better serve them. We've set up a meeting to try to work together with Dr. Mindie Dieu who is starting a group called PUSH that has been established to address a lot of the same issues that we are discussing.

- **Advisor: Michelle Cyrus**

I wanted to double check with individual organizations and their dinner with the president and what dates and times would be good for that for each org. I want to get that information to his office as soon as possible. I also want to make sure that I have the times, dates, and locations for all of your graduation celebrations so that stoles can be made and the president can try to attend. Also I want to make sure that you all get funds requests in as soon as you can because things like air fare and hotels are a long process and it is better if you get them started soon.

### Org Reports:

- **FASA**

We finalized our numbers for the conference so now we are just waiting for the registration to open up. We sold all of our lumpia and are very proud of how well that went. We also have Barrio Fiesta on May 5<sup>th</sup> which we are still inviting you all to come and table at.

- **EQuAL**

The only event that we have left this quarter is our coffee chat next Thursday, which will be a nice way to wind down after finals week. The first 12 people that come will be getting free coffee and we're hopeful for the event to turn out well. We're also putting all efforts into Pride, which I will talk about that more later in our funds request.

Our events are all winding down now that the quarter is ending, but our dance and retreat both had an amazing turnout. Our last meeting was more relaxed but we're having a lot of events about the farm worker movement and relative topics for Chavez/Huerta week, which will be starting March 29<sup>th</sup>.

- **ABLE**

ABLE has changed its meeting time to Thursdays at 4pm. Our quarter was mainly focused on planning events that we could keep doing in the future. We also have been discussing ways that we could partner and work with other groups on campus that share similar missions to us.

- **FGSO**

We just finished up our Krispy Kreme fundraiser and, even though we don't have exact figure yet, we feel like it went really well. We also started planning a trip to Washington DC next year and started discussing how we could fundraise for that.

- **AUAP**

Our movie night went very well and, for now, we don't have any events scheduled until next quarter so our students will just be volunteering in the community over spring break.

### Issues/Concerns/Announcements:

- **Community Engagement Hours**

Make sure you all get your community engagement hours in by the end of finals week. They are required for your organization to stay in good standing.

- **Meeting Time for Next Schedule**

Equity Services Council meetings for next quarter are tentatively scheduled for Fridays at 1pm.

- **Constitution Revising Potluck**

We will be hosting an event, tentatively, on April 2<sup>nd</sup> to revise the constitution. The event will be catered fully and will be a wonderful time to knock out the constitution in one big swoop.

**Public Comments:** Public Comments may be submitted to Olivia Durham in person or via email [ascwucommunity@cwu.edu](mailto:ascwucommunity@cwu.edu). Public comments may also be presented at the time of the meeting
