Summer meal service, fast food fresh options, Northside commons and Panda Express, composable to-go, toasted sandwiches, More healthy options include: less red meats,seafood, vegetable seasons. Considering fresh bar at wrap and roll. Wrap and roll at totally tossed, new menu

Fiona: did the pizza dough change?

Chef Joe? Yes & yes. Change in manufactures because of their location. Working to get it back

Denise: Introduction, wants to put policy into place, wants student driven

Chef Joe: Regarding quesadillas. Their goals were to put cold topping on the side to speed up production when heating up.

Chief Joe: Lionols Rock. Stopping warms that would allow burgers to sit for 20-40 minutes

Qion : when I worked there it was a more popular joint. Burgers were customizable

Dean: The extra minute that it takes to cook the burger is better for the students than them sitting in a broth for long periods of time during the day.
