4-0-1

### Reading and Approval of Agenda

**Director Castillo** motioned to add a report to the agenda and to approve the agenda as amended with **EVP** seconding.

4-0-1

### Unfinished Business

DHC Senator Position

Proposal to change one of the Senators at Large to a Senator for Douglas Honors College. Requires 2/3 majority vote by Executive Board to be put on Ballot.

Since the DHC is like the grad college in the sense that they are their own college, a request was submitted to get the DHC a senator position. Apparently, they have been trying to get a seat in the senate for a while and Speaker Hondo is not sure as to why this has happened for so long.

**Director Garcia-Sanchez** wants to ensure that since there will be a change in the voting power that it gets fixed. The board mentioned that the problem of GA will be next boards issue since they will be looking at reorganizing the structure of GA. The appointment will most likely be at the same time next fall with the new senate speaker.

**Speaker Hondo** motioned to approve one of the senator at larges positions to be named as Senator for the DHC on the ballot, seconded by **Director Garcia-Sanchez**
