**Request funds**

**Child Life- \$2000** ~~ National Child Life Conference in Chicago. Krispy Kreme fundraising and have already raised \$600. Cornerstone fundraiser on Sunday. Spent on travel, hotel and registration. Eighteen people going, 10 undergrad students is what fundraising is for. 10 people applied through an essay and a committee narrowed it down. In communication with other CL specialist and professionals that work around that field. Use that knowledge to extend their programs. The only school at the conference that allows undergrads to go.
