

HOW TO DOWNLOAD AN AMAZON RECEIPT

From the Amazon app on your phone

- Open the Amazon app on your phone.
- Tap the Account icon (profile person symbol) at the bottom menu.
- Tap Orders to see your list of recent purchases.
- Find and tap the specific order you need.
- Scroll down to the Order Info section.
- Tap View Order Details.
- Scroll down to the Order Summary section.
- Tap View Invoice.
- Tap Save.
- Select where you want to save to.
- Tap upload.

From the Amazon website

- Open a web browser on your computer and navigate to Amazon.
- Sign in to your account.
- Click Returns & Orders in the top-right corner of the page.
- Scroll through your order history to find the item you need, then click View Invoice.

- Click the Print in the top-right corner.
- In your browser's print window that pops up, change the destination/printer option to Save as PDF.
- Click Save to download the invoice file to your computer.
