HANDBOOK

Please read this handbook carefully. Your signature on the lease affirms that you, your guests, and everyone residing in the apartment agree to abide by and support the rules, regulations, and policies as set forth by Central Washington University in the terms and conditions of the lease agreement and this handbook. Violations of these policies may result in judicial action in accordance with the CWU Student Judicial Code. The university reserves the right to terminate any lease agreement and this handbook.

 RESPONSIBLE FREEDOM

The concept of responsible freedom helps residents understand their personal responsibility for making the living environment one which meets their needs. Citizens of Central Washington University have the responsibility to protect their rights and freedom.

Responsible freedom is a continuing educational process that requires each member’s participation. It is the willingness of people (both offender and offended) to accept the process which builds harmonious and supportive environments at Central.

At the foundation of Responsible Freedom, community members must:

• Exercise self-control
• Respect the rights of others
• Accept the consequences of inappropriate behavior
• Be assertive and confront one another respectfully when necessary
• Become invested in the community instead of relying heavily on the apartment manager
• Be persistent in pursuing a supportive community in which to live

Some of the most common situations in which apartment residents are asked to exercise responsible freedom include:

• Noise and music (particularly during the quiet hours of 10 p.m. to 7 a.m.)
• Smoking
• Sexual harassment
• Underage consumption of alcohol
• Overseeing family members or guests’ responsibility

In apartment living at Central, we strive for supportive communities where residents live with mutual bonds of caring, trust, openness, and respect. Within these communities, people care about the growth and development of fellow students and share a mutual respect for members’ rights, feelings, lifestyles, and personal property. As a community member, residents are encouraged to seek the positive characteristics of other community members.

The responsibility for maintaining a positive campus community is mostly that of the residents. You and the other residents are responsible for your own conduct because it is believed that you are capable of controlling your living environment. However, there are many behavioral expectations, in the form of policies, which have been established. These policies are based on common-sense behavior and a caring attitude toward one’s community members.

RESOLVING DIFFERENCES

If you or your peers are unable to resolve a problem, contact the apartment complex coordinator or your apartment manager. They will work with you to find a solution. If further mediation or assistance is needed, contact the apartment complex coordinator at 509-963-2372 to determine the next course of action. You may be asked to meet again with the apartment complex coordinator or apartment manager or to write an incident report.

Apartment managers also offer programs and events for the residents, handle check-in/check-out procedures, and provide assistance for residents locked out of their apartments.

In addition to regular office hours, an apartment manager will be on call all hours Housing and Residence Life is not open. This includes nightly service and 24-hour service on the weekends and holidays.

APARTMENT ASSIGNMENT

ELIGIBILITY
1) To be eligible for a university apartment at Central Washington University, a lessee must be a student maintaining at least seven-credit hours or five-credit hours for graduate students (unless an exception is approved in writing by Housing and Residence Life). However, applications for apartment housing will be accepted from students who plan to attend classes during the dates indicated on their application but who have not yet been officially accepted for admission. Students must provide proof of academic acceptance to Central Washington University prior to taking occupancy.

2) Students are encouraged to be working toward an academic degree. Students with more than 220 undergraduate credits without a degree will not be eligible to remain in a university apartment without permission from Housing and Residence Life. Requests for an extension must be in writing, and residents must inform the Director of Housing Services or designee of an academic plan.

3) Apartments are rented to students who have completed one academic year of college post high school, are 20 years of age or older, and students with families. All students are required to be enrolled as a CWU student with seven or more credit hours or five-credit hours for graduate students (unless an exception is approved in writing by Housing and Residence Life). Only members of the immediate family unit may reside in the apartment with the registered student. Non-immediate family relatives may not reside in the apartment without prior written approval from Housing and Residence Life or their designee unless the individual is also a student at CWU.

4) The standard occupancy in an apartment is: Small Studio - one person; one bedroom - one person; two bedroom - two persons; and three bedroom - three persons. One person may be added to each type of apartment listed above for an additional $100 per month for utility consumption and normal wear and tear.

5) Summer Policy: Leaseholders not enrolled for summer session may enjoy the summer in university-owned apartments as long as they are pre-enrolled as full-time students for the following fall quarter. Undergraduate students need to be enrolled in 7 credits and graduate students need to be enrolled in 5 credits. All applicable lease and rental conditions apply.

6) When a lessee no longer meets ELIGIBILITY requirements to live in a university apartment, they must give proper written notice to vacate and move out within 30 days. NOTE: If the vacating lessee does not move as indicated in the notice, they may be held responsible for any or all temporary housing costs for a new resident until the new resident moves into the apartment. Any requests for exceptions to this policy should be made in writing, in accordance with WAC 106-124-011, “Financial Obligations of Students - Appeal Procedure.”

REFUSAL OF AN APPLICATION
CWU reserves the right to refuse an application for apartment living from a former resident of either the university residence halls or apartments when any of the following conditions apply:

1) The eviction process has been formally initiated for a violation of a provision of the apartment lease or residence hall contract.

2) Past university disciplinary action or criminal action has demonstrated that the applicant does not respect the terms of the lease or guide.

3) There is unpaid rent/damage/etc. from a previous tenancy.

4) There has been falsification of an application or other documents related to the apartment lease by the lessee (applicant), spouse of lessee, or roommate(s).

ASSIGNMENT PROCEDURE

1) Apartment assignments are offered based off of the application date, availability of appropriate apartment (according to family size and ages of children), and waiting-list placement. If the unit will be available in less than 30 days, the applicant will be contacted by telephone or e-mail.

2) Rent charges begin on the day of your lease signing.

3) A damage deposit for an apartment is $200. Upon vacating, the deposit will be credited to the student’s account. Any damages, cleaning, and outstanding charges will be applied to the student’s account.

4) The apartment lease is based on a month-to-month rental agreement with a 6 month minimum occupancy. Rental payments are due the first business day of each month. A $50 late charge may be assessed for delinquent payment on the 10th of the month or first business day following the 10th. When a resident moves in during the month, rent is pro-rated to the date of occupancy, and full rent for the following month is due on the first day of the following month.

5) The lessee is responsible for making sure all names of legal dependents or roommates appear on the lease agreement. When a dependent or roommate leaves and/or a dependent or roommate is added, a new lease must be signed and all damages to date must be cleared. Changes in family status must be immediately reported in writing to Housing and Residence Life.

6) If an apartment is offered and the applicant does not wish to take that apartment because of the time frame or other circumstances, the next person on the waiting list will be contacted. If requested, an applicant may remain on the waiting list and will be notified when another apartment is available. After the student has received two offers of an apartment, their name is put at the bottom of the list.

7) When transferring from the CWU residence halls to the CWU apartments, students must follow all the steps of checking out
Residence Life at Button Hall.

To request a transfer, submit a written request to Housing and Residence Life. Your status as a resident may change due to increased family size, or you feel you have a special reason for moving to another apartment. If your status changes, you will be required to live in your current apartment for six consecutive months. If your status changes due to circumstances because of additional administration, maintenance, and cleaning costs. To be eligible to be on the wait list to move to another apartment, you are required to live in your current apartment for six consecutive months. If your status changes, your family size increases, or you feel you have a special reason to request a transfer, submit a written request to Housing and Residence Life at Button Hall.

CHECK-IN PROCEDURE

Upon moving in, the resident will be issued keys by the apartment manager. The resident will make a thorough inventory/inspection of the apartment with an apartment manager noting any problems (i.e. scratches on floors, damaged furniture or appliances, missing screens, etc.) on the provided inventory form.

WHEN A ROOMMATE MOVES OUT

1) When one person moves out of an apartment, the remaining roommate(s) will be responsible for the entire rent payment. The rent will be divided equally among the remaining residents. If only one person is remaining, they will be responsible for the entire amount of the rent payment on a daily pro-rated basis.

2) It is the responsibility of the person moving out to inform the other roommate(s) of their departure. The people staying will have 30 days from the vacate notice date to find additional roommates and have them sign a contract with Housing and Residence Life before rent increases. The 30 days starts the same day the vacating notice is received at Housing and Residence Life. Housing and Residence Life will not assign roommates to apartments and assumes no responsibility in one’s roommate selection process. New roommates must meet the eligibility requirements listed above but do not have to go through the waiting list process. To assist residents, there is a discussion forum that can be accessed through the students MyCWU.

MOVING TO ANOTHER APARTMENT

Moving to another apartment will not be allowed under normal circumstances because of additional administration, maintenance, and cleaning costs. To be eligible to be on the wait list to move to another apartment, you are required to live in your current apartment for six consecutive months. If your status changes, your family size increases, or you feel you have a special reason to request a transfer, submit a written request to Housing and Residence Life at Button Hall.

CHECK-OUT PROCEDURES

Residents must give at least 30 days notice in advance of the move-out date. In order to end your lease, you must go to your MyHousing portal and select the 30 day vacate icon. Residents are responsible to inform their roommates of their vacating notice date. When a resident submits a Notice-to-Vacate through their MyHousing, the move-out date is then used by Housing and Residence Life to assign that apartment to the next resident on the waiting list. If the resident vacates before the date given, they will be liable for rent to the date given on the Notice-to-Vacate form unless a new resident assumes the unit. If the resident vacates after the date given, they are liable for the 30-day period following the actual move-out date or until a new resident assumes the unit. The resident may also be liable for costs associated with providing temporary housing for the next resident.

There is a $200 cancellation fee when a resident vacates an apartment prior to completing six months residency unless officially withdrawing from the university.

Residents need to schedule a check-out appointment with the apartment manager at least three days before the move-out date. Students are responsible for the rent until a checkout is complete and the keys are returned. Prior to the check-out appointment, empty the apartment of all personal belongings and thoroughly clean the unit. As you clean, use the following guidelines.

Examples for which charges are usually assessed at check-out time:

- Damage beyond normal wear and tear (can be caused by decorating)
- Labor costs that result from cleaning apartments that are not cleaned sufficiently when resident vacates
- Large or excessive nail holes
- Burns or burn holes of any kind
- Scarred and/or broken furniture
- Excessive damage to walls, wood, doors, etc.
- Cost of any repair or replacement resulting from damage
- Removal and/or storage of discarded furniture

It is the resident’s responsibility to discontinue utility services such as premium cable television and/or telephone service if you have arranged for these services.

The resident needs to file a change of address with the U.S. Postal Service.

Return all keys directly to the apartment manager at check-out time. Do not turn in keys to a box or leave unattended in the vacated apartment. If the keys are not returned at that time, the apartment will be re-keyed at the resident’s expense.

Residents who check out improperly could forfeit some or all of their damage deposit and be assessed a $50 charge. If the resident...
schedules a check-out time with the apartment manager and is unprepared at the scheduled time, he/she will be charged $50 for an improper check out. If the resident is not present for the check-out, the findings of Housing and Residence Life will prevail.

CLEANING PROCEDURES

• Clean oven, including broiler pan, racks, burners, underneath burners, and rings around burners. Pull the stove away from the wall or counter and be sure the sides and back of the stove are clean, as well as the floor underneath. Clean the vent, hood, broiler pan, and bottom drawer of the stove. For apartments with self-cleaning or continuous-cleaning ovens, do not use an aerosol oven cleaner because it will damage the oven, and you will be charged for the repair and/or replacement cost. Please use the self-cleaning setting on the oven.

• Clean the outside and inside of all kitchen cabinets, shelves, and drawers, taking care to remove accumulated food particles.

• Defrost refrigerator/freezer (if applicable), and clean the inside, top, and sides of the appliance. Pull the refrigerator away from the wall or counter, and clean the floor underneath. Be sure that all original shelves and trays are cleaned and replaced in the refrigerator. Remove excess water, and leave the refrigerator on a low setting. Do not unplug the refrigerator.

• Do not use any sharp instruments such as forks, kitchen knives, or screwdrivers to defrost the freezer compartment. Damage caused to the appliance, by using sharp instruments to defrost, will be charged to the resident. Setting pans of hot water in the freezer compartment for short periods of time will speed up the defrosting process.

• Clean the kitchen sink thoroughly. Do not use a steel wool pad. A liquid cleaner such as 409 or Soft Scrub is recommended. Be sure the area under the sink is cleaned.

• Clean all walls and woodwork. Clean smudges, food particles, and fingerprints off walls, woodwork, doors, light switches, wall plugs, window ledges, and doorjambs.

• Clean surfaces of chairs, tables, desks, chests, etc., and clean inside of drawers, desks, and chests.

• Clean inside and outside of light fixtures. Remove insects and dust in globes. All light bulbs must be in working order.

• Thoroughly clean the bathroom, including tub, toilet, basin, and medicine cabinet, as well as the area under the sink and around the toilet. Remove soap build up from the shower walls, soap dishes, and around sink and shower faucets. Do not use an abrasive-type cleaner (scouring powder such as Comet or Ajax) on fiberglass tub units because it removes the gel coating surface. Use a liquid cleaning product such as 409 or Soft Scrub.

• Clean inside and outside of windows in all rooms (if accessible) including window ledges and tracks. This does not include the outside windows of upstairs rooms.

• Clean cobwebs from around outside of doors and windows. Wash interior and exterior of the front door. Be sure to pick up litter around the outside of the apartment and re-check the apartment and outside storage closet for personal belongings.

• Mop and rinse all uncarpeted floors, but please do not wax the floors.

• Do not wash the drapes. Housing and Residence Life allows three hours of cleaning time, at no charge, in each apartment to wash the drapes and wax the floors. Additional cleaning time is charged at $45 per hour to the lessee.

CHECK-OUT POLICIES FOR OCCUPIED APARTMENTS

POLICY: A vacating resident’s bedroom(s) and the apartment’s common areas must meet Housing and Residence Life standards as described below. In addition, the apartment must pass a staff inspection for damages and cleanliness prior to the new resident’s ability to check into the apartment.

All residents, vacating or remaining, are responsible for cleaning and maintaining the apartment’s common areas at a level that meets health and safety standards. Common areas include the kitchen, living room, bathroom, hallways, and entryway.

PROCEDURE: When residents properly check out with the apartment manager, an inspection will be conducted by the apartment manager to ensure that the bedroom(s) and the common areas are clean, safe, and in working condition before new residents will be allowed to check into the apartment.

The apartment manager may determine that due to excessive damage or below-standard cleanliness, the apartment is unfit for a new resident(s) to move in and that the apartment requires further inspection by a Housing and Residence Life official.

The remaining resident(s) will have five business days from the date of the vacating resident’s check-out date to take corrective action. The check-in date scheduled will be on hold until the apartment meets Housing and Residence Life approval. The new resident(s) moving in will be informed by a Housing and Residence Life official if their check-in date is changed.

A Housing and Residence Life official will re-inspect the apartment, and if the common areas or vacant bedroom(s) remains unfit for another resident to occupy, the Housing and Residence Life official will determine a course of action and/or consequences as described below. Throughout the inspection process, Housing and Residence Life officials will communicate with the remaining resident by phone or in writing via mail, e-mail, or a note left in the apartment.

NEW RESIDENT CHECK-IN PROCESS:

1) Common areas and vacant bedroom(s) meet Housing and Residence Life standards as described below.
2) New resident has contacted Housing and Residence Life to complete a Housing Contract.
3) New resident has scheduled a check-in appointment with the apartment manager.

FAILURE TO COMPLY: If residents refuse to clean and maintain the common areas to the satisfaction of Housing and Residence Life staff, they will be subject to the following consequences:

Vacating Resident

• A vacating resident may lose all or part of their housing deposit for damages and/or lack of cleanliness in the common areas and vacant bedroom(s). If the amount exceeds the housing deposit, additional fees may be charged to the student’s account.
• A vacating resident may be referred to a university conduct officer for failure to comply with Housing and Residence Life policies.
• If the remaining resident(s) is required to move because the apartment does not meet health and safety standards, all costs associated with that move may be divided among all of the vacating and remaining resident(s).
Remaining Resident(s)
- Remaining resident(s) may be billed for common area damages and/or lack of cleanliness. Charges may be divided among all of the vacating and remaining residents.
- In addition, the remaining resident(s) will be responsible for the entire rental payment, beginning on the date the vacating resident(s) properly checked out through the date that the common areas meet Housing and Residence Life standards. When the new resident(s) has been given approval to complete the check-in process, rent will be divided among all of the residents occupying the apartment effective on the new resident’s contract date.
- If health issues, safety issues, and/or damages are extensive, the remaining resident(s) may be required to either move to another apartment or be evicted from Housing and Residence Life. The costs incurred for a move to another apartment or residence hall may be the responsibility of the remaining and/or vacating resident(s).
- The remaining resident(s) will also be referred to a university conduct officer for failure to comply with Housing and Residence Life policies.

A student may appeal move-out charges in writing to the director of housing facilities or their designee. Appeals requested more than 10 days after the Room Condition Report has been processed will not be heard. (Check Appeals on page 13, item 23.)

LEASE TERMINATION
By the University
The university may be forced to terminate a resident’s lease and occupancy under any one or more of the following conditions:
- Failure to pay rent

- Failure by lessee or any roommate to abide by rules and regulations in the lease agreement and apartment handbook

By the Lessee
As a lessee, you may terminate a lease for any reason by giving 30 days notice via your MyHousing portal. For your convenience, the apartment Notice-to-Vacate is located on your MyHousing portal. If you terminate your lease and wish to return to university-owned apartments, you must submit a new apartment application and $200 deposit.

APARTMENT CONTRACT
Should actual availability of the unit change after you have signed the contract, appropriate adjustments will be made in the following month’s rent.

INSTRUCTIONS:
This contract is contingent upon the applicant’s academic admission to Central Washington University. Hereafter, you the applicant and future student, will be referred to as the “Student,” and Central Washington University will be referred to as the “University.”

1. Term of Agreement
   a. The term of this contract shall be indefinite, month-to-month for as long as the Student wishes to remain, fulfills the terms of the contract, and remains eligible for university housing. The Student remains eligible as long as they remain enrolled as a full-time Student with a minimum academic load of seven credit hours each quarter at the University. Summer Session and correspondence courses are excluded. Summer occupancy is contingent on registration for the following fall regular session as a full-time Student. [A Student may take over responsibility for an apartment by signing a new contract, if they have been a roommate for one full academic quarter (not including summer), has an apartment application on file, and is a registered Student.] All exceptions to eligibility requirements must be appealed and approved in writing to Housing and Residence Life.
   b. If transferring from a CWU Residence Hall, the “term” remains the same as specified in the Residence Hall Contract. All other conditions above remain in effect.
2. Rent Payment/Deposit
   a. Rent is due and payable on the FIRST OF EACH MONTH through the Cashiers Office. Rent for a partial month of occupancy will be prorated for every day of occupancy. Late payments are subject to a $50 late charge. The University has a policy of applying all payments to the oldest outstanding charge on the Student’s account. Should the Student make a rent payment when there are older outstanding bills on their account, the payment will be applied to these older charges, and the rent will remain unpaid. If an additional payment is not made to bring the account up-to-date prior to the rent due date, the Student will be assessed a late fee.

3. Loss and Damage of Property: The University will not be responsible for the loss of any Student property due to theft, vandalism, fire, earthquake, or any other act NOT caused by the direct and sole negligence of the University. Students are strongly encouraged to purchase property insurance from their personal insurance company.

4. Rate Increase: The rate for the academic years as listed in this contract may be increased by no more than five percent within the fiscal year for emergency purposes by directive authorized by the University’s Board of Trustees. All other rent increases will coincide with the academic calendar, be approved in the normal budget process, and go into effect on July 1. Should a Student have a lapse in full-time Student status, rent will be increased to the non-student rate effective the first of the month following the lapse in the Student status.

5. University Entry: The University reserves the right to have authorized personnel enter any unit for the purpose of inspection, repairs and/or other official business.

6. Assignment: The University reserves the right to reassign individuals to a different unit at any time in the event such reassignment is deemed necessary by the University.

7. Pets: Students are NOT permitted to house cats, dogs, or any other animals, with the exception of aquarium-bound fish. Residents with illegal pets are subject to eviction and a $500 fine.

8. Weapons Policy (WAC 106-124-700): No person shall have in possession any gun, pistol, firearm, explosive, dangerous chemical, or other dangerous weapon or instrument on University-owned or leased property. 9. Unlawful Practices: The Student agrees not to permit anything to be done upon University property that is contrary to any law of the State of Washington or the City of Ellensburg.

10. Reassignment Space: The premises are to be used solely for residential purposes of those assigned by the University. Those assigned to the premises by the University may not assign or sublet the whole or any part of the premises or this contract, and may not allow others to reside in the premises on an extended and/or permanent basis without the express written permission of the University. Failure to comply will result in a $500 fine and is deemed a breach, which may result in termination of the contract.

11. Alterations: Students must secure written permission from the University before altering any portion of the apartment or University-owned equipment or furnishings. University-owned furniture or appliances may not be removed from the assigned unit without written permission.

12. Services Provided: The University shall furnish electricity, heat, water, sewer, and refuse services. The University shall have the right to temporarily interrupt such utilities or services when necessary because of accident, emergency, repairs, alterations, or improvements, which, in the judgment of the University, are deemed necessary or desirable. No reduction or waiver of rent or other compensations may be claimed by the Student, nor shall this contract or any of the obligations of the Student be affected or reduced by such interruption.

13. Departure Agreement: The Student agrees that at the end of the term for this lease, the unit will be vacated in good condition, excepting reasonable wear and tear as determined by the University. Upon termination, all personal belongings of the Student will be removed from the premises. It is agreed that in the event the personal belongings are not removed, they will be presumed abandoned and will become the property of the University, and will be disposed of accordingly. Removal of abandoned property will be subject to a fee determined by the Facilities Manager during the inspection process.

14. Student Maintenance: The Student agrees to keep the residence, including the sidewalks and stairways adjacent to, in a clean and sanitary condition, and to comply with the laws and ordinances relating to sanitary conditions. The Student agrees, at the Student’s own expense, to keep all drainage pipes free and open, and to protect water, heating, and all other pipes, so they will not freeze or become clogged.

15. Waste and Injury to Premise: The Student agrees not to commit or permit waste, damage, or injury to the property or appurtenances, and to keep the ground upon which the property is situated in good order, and not to let or permit any rubbish to be deposited or accumulated. At the request of the University, the Student shall be required to remove at their sole expense, anything in or about the premises, which is determined by the University to create an unacceptable hazard to person or property.

16. Waiver of Breaches: The failure of the University to exercise any right or remedy available to the University as a result of the Student’s breach of any of the terms, covenants, or conditions of this contract shall not be deemed to be a waiver by the University of any such rights or remedies. NO terms or conditions of this contract required to be performed by the Student and no breach thereof shall be waived, altered, or modified except upon express written permission of the University. The receipt of payment by the University, with the knowledge of the breach of any terms, covenants, or conditions of this contract, shall not be deemed a waiver of such breach.

17. Cumulative Remedies: The specified remedies used by the University under the terms of this contract are cumulative and are not intended to be exclusive of any other remedies or means of redress to which the University may be lawfully entitled in case of any breach or threatened breach by the Student of any provision of this contract.

18. Student Damage: Each Student is personally responsible and liable for the cost of cleaning, replacement, or repair to the structure in which they are housed and all damages to (except for reasonable wear and tear as determined by the University) or losses of any University property furnished under this contract.
19. Expulsion: Failure to satisfy any financial obligations incurred in accordance with the terms and conditions of this contract may (together with all attorney’s fees and other costs and charges necessary for the collection of any amount not paid when due) result in action by the University to withhold admission to or registration with the University, the conferring of degrees and issuance of transcripts and/or grade reports, pursuant to WAC 106-124-010 and WAC 106-124-011.

20. Termination of Contract: The Student may terminate this lease by giving written notice to Housing and Residence Life by giving a vacating notice through their MyHousing portal 30 days prior to vacating the unit. Likewise, this lease may be terminated by the University upon providing a written 20-day prior notice by mail, in person, or other delivery. Once the notice of termination has been given, failure to leave as indicated makes the Student subject to all costs associated with the delay. This includes but is not limited to costs for eviction and costs to provide temporary housing for the next resident assigned to the unit in question. Extenuating circumstances: If termination of the contract is sought at any time because of extenuating circumstances, the Student must request in writing to be released from the lease agreement and, at the University’s sole discretion, may be held responsible for rent to the end of the lease term.

21. Showing of Unit: The University shall have the right to show the unit to successor residents during regular business hours and with advance notice anytime after notice of intention to vacate has been given.

22. Other Terms: The Student hereby acknowledges that these premises are a portion of housing facilities being operated by the University and it is agreed that any and all existing or future regulations of the University that are applicable to this housing project in general shall be binding upon the Student and that Student will comply with the terms thereof, including, but not limited to the policies established in the University’s “Apartment Guide” which is hereby incorporated by reference and made part of this contract.

23. Appeals: Students may appeal all damage charges and late fees if they do so within 10 working days of the billing for these charges and fees. To appeal, simply state your objections, in writing through your student e-mail account or deliver it to Housing and Residence Life, Central Washington University, 400 E University Way, Ellensburg, WA 98926-7513. Appeals are first heard by an appeals officer and, if further appeal is desirable, through an Appeals Board. Decisions of the Appeals Board are final. Damages and fees assessed by the Appeals Board are due and payable immediately.

APARTMENT GENERAL INFORMATION

CHILD ABUSE/DOMESTIC VIOLENCE
Residents are encouraged to notify Police Services and the proper local and state authorities in cases of child abuse and domestic violence. Housing and Residence Life, along with Police Services, will investigate cases of perceived child abuse, neglect, or domestic violence. When necessary, cases will be referred to proper local and state agencies.

CHILDREN
It is the parent’s responsibility to guide, direct, watch, and discipline their own children. If problems arise with children in the apartment complex, please talk directly with the parent(s). If disputes or problems continue, please contact the apartment manager or apartment complex coordinator.

The resident is responsible for the actions of children who occupy their apartment. Children must be properly supervised at all times. Neglect of parental responsibility may result in eviction. The resident shall be financially responsible for the actions of the children. Improper conduct of a child could result in cancellation of the lease agreement.

STUDENTS WITH DEPENDANTS
Students with dependants are defined as a student and spouse and/or student with children who are declared legal dependents.

1. Students with dependants are no different from any other students in that their primary goal is to succeed in their studies. Their challenge is having additional responsibilities of caring for children and finding time to balance all this with their studies. Noise that wakes up children or distracts from limited study time tends to be the greatest problem. Walls are thin and even several guests talking late or a moderate level of music can wake a sleeping baby. Single students may experience noise of children playing during the day. However, it is expected that the noise quiets around 8 p.m. when many children are going to bed.

2. Behavior that is disruptive will not be tolerated. Families and individuals are expected to work out their differences as outlined in our Responsible Freedom policy. Any differences that cannot be settled or continued disruptive behavior will be handled by a conduct meeting with the apartment complex coordinator.

3. Apartment residents need to make their guests aware of the apartment policies. Visitors can be a concern for a number of reasons. Some common complaints about visitors are:
   • Speeding
   • Drivers of vehicles not being careful around children playing or riding their bikes in the parking lots
   • Car horns sounding when pulling up to pick up residents or loud car stereos
   • Cigarette butts being flicked on the grounds in community areas or where toddlers play
   • Drinking outside or in public areas
   • Swearing in the presence of children
   • Disturbing noise late in the evening

4. Students are encouraged to introduce themselves to their neighbors. Inquire about quiet times and work at building respect in the complex. Many great and lasting friendships have started this way.

INSURANCE, PERSONAL DAMAGES, AND/OR LOSS LIABILITIES
The university encourages residents to carry renter’s insurance. The university is not liable for theft or damage to personal property and does not assume any liability for personal injury resulting
from earthquakes, explosion, fire, or mechanical failure of the water, gas, or electrical systems, water damage, or for negligence by occupants of the buildings. For protection from possible losses or personal injury, the resident should carry renter’s insurance. Renter’s insurance for personal property may be purchased privately or through a vendor contracted by Housing and Residence Life. Personal possessions should also be marked and engraved with names and student identification numbers. Liability insurance may be purchased at most local insurance companies.

MAILBOXES
Mailboxes are for use by registered and approved residents only. The post office delivers mail once daily, Monday through Friday, excluding holidays. Mail is distributed more efficiently when properly addressed. The following are the approved addresses for the university apartment complexes:

AIR CONDITIONING UNITS

APARTMENT GROUNDS, MAINTENANCE, AND SAFETY

ENERGY CONSERVATION
- Control the level of electrical heat. Do not increase the heat and then open windows!
- Do not leave windows open in units with steam or hot-water heat; the units may freeze. Repair costs are high and will be billed to the lessee.
- Keep unnecessary lights turned off.
- Use the suggested size light bulb or smaller (60 watts or less).
- Turn off the television and other appliances when not in use.
- Do not use the oven as a space heater.
- Conserve hot-water use. The hot water tank temperature is preset at 120 degrees.
- Keep all heating units free of dust and debris to keep them operating effectively and economically.

ENTRY OF APARTMENTS BY UNIVERSITY
The university reserves the right to have authorized personnel enter any unit for the purpose of inspection, repairs, and/or other official business. This includes, but is not limited to, the following:
• Suspicion of harm to self or others
• Maintenance, custodial inspections, fire life safety inspections, or emergencies (occupants will be informed that facilities maintenance staff has been present)
• Routine or requested maintenance by resident or Housing and Residence Life staff (occupants will be informed that facilities maintenance staff has been present)
• Search or arrest warrants (University Police only)
• Protection of life, property, or evidence of a crime (University Police only)
• Persistent noise coming from an apartment when occupants are not present

If an authorized person enters an apartment when the resident is not present, a written note will be left indicating who entered the apartment, when he/she entered, and the reason for entering.

Generally, staff will not enter an apartment to retrieve items for occupants who are not present or for other students who have left personal items in the apartment. Exceptions may be made, but staff will take precautions to protect themselves from possible liability and have the right to refuse such requests.

In addition, Housing and Residence Life shall have the right to show the unit to successor residents during regular business hours and with advance notice anytime after notice of intention to vacate has been given.

FIRE AND LIFE SAFETY
Housing and Residence Life has a commitment to fire and life safety issues. Inspections for fire safety equipment and a mandatory state inspection of the hot water heaters are done as state law and university policy requires.

A fire extinguisher is located in every apartment; learn where it is located. Never relocate the fire extinguisher. If the extinguisher is used to extinguish a fire, immediately notify Housing and Residence Life, and it will be replaced at no cost.

The university inspects fire extinguishers twice a year, but residents should periodically inspect the gauge to be certain the fire extinguisher is properly charged. If the needle indicates that it is undercharged or overcharged, call Housing Facilities for a replacement.

Barbecue grills and combustible materials such as propane, gasoline, kerosene, and items containing combustible materials (i.e. lanterns) are not permitted inside the apartment (including storage closets/units).

FIRE PROTECTION RESPONSIBILITIES
Adhere to all university fire protection and safety standards listed below:
• DO NOT keep highly flammable materials in the apartment.
• Keep all escape routes (entryways, hallways, or passageways) accessible.
• Do not use any appliances or electrical items that have frayed or damaged electrical wires.
• Keep all papers, boxes, cloth, electrical cords, and furniture at least four inches away from heaters.
• Do not burn candles.
• Do not smoke or vape in the apartment.

SMOKE ALARMS/DETECTORS
Tamper-proof smoke alarms are located on the ceiling/wall in every apartment; learn where they are located. When the alarm is set off, it will make a loud piercing sound. If the alarm beeps intermittently, the batteries need to be replaced. Please notify the apartment complex coordinator or apartment manager as soon as possible. Tampering with smoke detectors may result in disciplinary action, including a fine and/or eviction.

Excessive amounts of smoke from cooking or excessive amounts of steam from the bathroom may activate the smoke alarm. If this occurs, simply ventilate the apartment by opening the doors and windows and turning on the fan. The detector will automatically stop sounding when the smoke or steam is completely removed from the area. A tip is to keep the door shut and fan on while showering. Test the smoke alarm once a month by firmly depressing the button. Also, the smoke alarm has a special feature called FALSE ALARM CONTROL. Pushing the test/hush button reduces sensitivity for up to 15 minutes, minimizing nuisance alarms. Two chirps signal the end of hush mode and then the unit resets to its normal sensitivity. If your alarm is constantly chirping please call maintenance at 509-963-3000.

FIRE ALARM APPARATUS AND FIRE EQUIPMENT ARE FOR EMERGENCIES ONLY!
If a smoke detector is beeping, it is likely the battery needs to be replaced. Contact an apartment manager, Housing and Residence Life, or facilities maintenance if a smoke detector is emitting a beeping sound. If batteries are removed without replacement, the resident is liable for a $100 fine.

PREPARATION IN CASE OF FIRE
Before a fire occurs, the resident and their family should prepare by taking the following steps:
• Know the location and route of escape. A smoke alarm can wake you, but only an escape plan can save you.
• Train family members to recognize the alarm signal and how to respond.

IN CASE OF FIRE
If a fire occurs, please follow the fire safety procedures outlined below.
• Keep your head low and move quickly to the nearest exit. Crawl if you can, so you do not breathe the smoke.
• Touch the door before opening it. Before touching the door handle, cover your hand for protection. Intense heat, deadly smoke, or gas may be on the other side. If the door is not hot, cautiously open it a few inches to check for heat, smoke, or flames on the other side. Keep your head out of the way while first opening the door, and be ready to slam it shut if any heat or smoke rushes in.
• Do not waste time getting dressed, looking for keys, or gathering valuables. Leave the building immediately and stay out.
• Call the Fire Department (911) and report the location of the fire. Stay on the telephone until instructed to hang up. Alert other occupants of the building and the apartment complex coordinator or apartment manager.

GARBAGE
Residents are expected to dispose of their trash and recycling materials in provided containers in the proper areas. Do not leave garbage on stairwells, on porch or patio areas, or areas outside the apartment door. Garbage can attract pests and rodents as well as unpleasant smells for neighbors. Please help keep the areas clean and tidy. The dumping of oil, grease, anti-freeze, and paint in a dumpster or in the parking lots is strictly prohibited. Trash or recycling materials that are disposed of improperly and traceable to an apartment will result in a $50 fine and the cost of cleaning and proper disposal. Large items such as carpets, old or broken furniture, and other large items should not be disposed of in the containers. Please contact Housing and Residence Life on how to dispose of these items. Further violations could result in cancellation of the lease agreement.
GARDEN PLOTS/FLOWER BEDS
Residents are encouraged to help beautify the apartment grounds by planting flowers and garden plots. Flowers need to be planted in specific areas so that they do not interfere with lawn mowing operations. In Brooklane Village, flower beds should not extend past the bottom step. Rocks are not to be used as a border because they cause damage to the lawn mowers and may present a physical hazard if thrown by a mower. The watering, weeding, and maintenance of flower beds are the responsibility of the resident. Please keep in mind that the university cannot be held responsible for these plants during routine grounds maintenance.

Community garden plots are available at Brooklane Village each year. Land behind J Court is plowed in early spring. Those wanting to stake out an area in the field.

KEYS
Do not loan apartment or laundry room keys to a non-resident! Do not loan apartment keys to a non-resident! Report lost keys immediately to the apartment complex coordinator or apartment manager. Entrance keys will not be issued to family members under 10 years of age. Only one key will be issued to each legal resident. Duplication of university keys by an outside vendor is strictly prohibited and could result in cancellation of the lease agreement and a re-key expense to the lessee. Residents are responsible for their own keys.

Only one laundry room key and one postal box key will be issued per apartment.

For the safety of the resident and the resident’s belongings, lost keys should be reported to staff immediately! Stolen keys should be reported to Police Services.

LAUNDRY FACILITIES
Central Washington University provides centrally located laundry facilities for resident use only. The university is not responsible for unattended clothing or damages to clothing because of user error. A change machine is currently located in Student Village laundry rooms. Brooklane Village’s laundry room has card reader access. Money can be placed on a resident’s Connection Card via the Connection Card office. Non-residents using laundry facilities (and residents allowing them to do so) are subject to a $25 fine. If a machine is not operating correctly, please put a sign on the machine stating it is out of order and notify the apartment manager. Children must be accompanied by their parents while in the laundry rooms. Money lost in the machines will be refunded by contacting the fiscal specialist in Housing and Residence Life.

Call weekdays at 509-963-1323. Residents should ensure these areas are cleaned after each use.

While cleanliness of the laundry areas is the responsibility of those residents who use the facilities, a laundry attendant assists by keeping the rooms clean and functioning. Information regarding contact of this individual will be posted in each apartment laundry area.

LAWN CARE
All toys, hoses, sprinklers, lawn furniture, and other items that may obstruct the lawn mower must be removed according to the mowing schedule. Failure to remove articles from the lawn area will result in a warehouse crew picking up the articles and a $25 fine. The university is not responsible for lost or stolen articles or items damaged by mowers and/or weed-eaters. Mowing schedules are sent out every spring. In addition, these items need to be organized so as not to create difficulty in accessing apartments.

MAINTENANCE
If there is a maintenance problem, call Facilities Management at 509-963-3000. It is the resident’s responsibility to immediately report apartment damages or deficiencies to either the apartment manager or facilities maintenance so that repairs can be made. All maintenance costs will be paid by the university unless the cause is found to be willful misuse or negligence. The response time will depend on the nature and severity of the problem, however, Facilities Management will respond to all problems in a timely manner. It is important to be very specific about the problem and the exact location when calling with a concern. Please help the university maintain and keep up the common areas of the apartment complexes by reporting breakage and damage to lighting, playground equipment, mail areas, and laundry facilities.

The 509-963-3000 phone number is in operation 24 hours a day. Please call during normal business hours (8 a.m. to 5 p.m., Monday through Friday) for routine problems. Please call anytime for emergencies. If a resident calls Public Safety and Police Services to report an emergency and facilities maintenance personnel are called, the resident will be charged for their time if it is not an emergency. The following definitions and situations will help as a guide.

The definition of EMERGENCY MAINTENANCE is:

- Something that could or will cause physical harm to resident(s).
- Something that could or will cause physical damage to property or structures.
Examples of **EMERGENCY SITUATIONS** that require maintenance personnel to be called are:

- Gas leaks
- No heat (outside temperature is below 50 degrees)
- No electricity
- Water leaks or broken water lines
- Frozen water pipes
- Plugged sewer lines and/or toilets

Examples of **NON-EMERGENCY SITUATIONS** that do not require maintenance personnel to be called after normal business hours are:

- No hot water
- No heat when temperature is above 50 degrees
- Removing objects from drains such as contact lenses, rings, etc.
- Plugged sinks or bathtubs
- Refrigerator not operating (residents should store items with neighbors)

Report all necessary repairs immediately to save yourself unnecessary repair charges. Minor problems can quickly become major ones with major repair costs to match. Please try to remedy minor problems such as clogged sinks and toilets yourself, but if the problem persists, call Facilities Management. All maintenance costs to university-owned apartments are eventually reflected in the rent.

If resident neglect or abuse causes damage, the resident is liable for repair/maintenance costs. If a window or screen in the apartment is broken, replacement costs will be billed to the resident.

Maintenance personnel usually are on a tight schedule and are unable to perform maintenance tasks that are not listed on the work order. If additional maintenance repairs are needed, call 509-963-3000 and request another work order.

If there are concerns about the timeliness or quality of the repairs, please call the apartment manager, the apartment complex coordinator, or Housing and Residence Life at 509-963-1831.

**MAINTENANCE PERSONNEL RESPONSE PROCEDURE**

The university reserves the right to enter an apartment without notice during reasonable hours when necessary to provide maintenance, service, repairs, improvements, etc., or to make inspections when no one is home. A card will be left by the facilities maintenance or Housing and Residence Life staff stating when they were in the apartment and what was done. The times between 9 a.m. and 5 p.m. have been designated as reasonable maintenance times.

When responding to a maintenance request or need, staff are to:

- Knock on the front door of the apartment, wait 15 to 20 seconds, and knock again. If there is no answer at the door or no indication that someone is home, they are to use their master keys, open the door six or seven inches, and call out to see if anybody is home. If there is no answer, they are to proceed into the apartment and do the necessary work. No one will enter if a child is home alone.
- Clean up behind them after a job is completed.
- Report any breakage or damage beyond normal wear and tear for billing to the resident.

**MODIFICATIONS**

Residents are not permitted to modify either the inside or outside structure of their apartment or the apartment area without written permission from Housing and Residence Life. This includes but is not limited to: adding additional shelving, painting, wallpapering, installing screen doors, placing semi-permanent signs outside of the apartment, hanging laundry wire or string, installing antennas, satellite dishes, and modifying landscaping. Modifications made without permission could result in charges for repairs to restore the structure to its original form and/or eviction.

**PERSONALIZING SPACE**

Residents may decorate their apartment with posters and other personalized items as long as it does not damage the apartment. Keep in mind that when the apartment is vacated, it must be returned to its original condition. Residents in violation of the outlined policies may be subject to disciplinary action, damage charges, and/or fines. DO NOT fill-in nail holes as this causes more damage to the walls and may result in additional damage charges to the resident.

**PEST PREVENTION**

Pest concerns will be taken care of by Housing and Residence Life Pest Control. If it is determined that the resident is at fault because of poor housekeeping practices, the resident may be responsible for the cost of service. Since insects and rodents in an apartment can be unpleasant, the following suggestions are made.

- Purchase a trash can with a tight-fitting cover, and use plastic liners in trash cans.
- Do not leave dirty dishes or food on the countertops or sinks overnight.
- Store open-food containers (cereal boxes, etc.) in plastic containers with tightly fitting lids.
- Do not use contact paper in cabinets. Roaches feed on the sticky backing.
- Do not leave paper bags or newspapers sitting in your apartment. Pests nest in these areas.
- Keep floors clean and free of food crumbs.
- Buy a good bug spray and spray the area behind the stove and refrigerator. Spray the top and bottom edge of all hollow doors in the apartment. These doors have ventilation openings at the top and bottom and make cozy homes for pests. Spray under sinks, especially around pipes protruding from bathroom walls where hot water provides the moisture that insects enjoy. Also spray in closets that contain heating or plumbing pipes. Sprays are effective when used safely. (Note: Carefully read and follow label directions and use caution when applying sprays to avoid contact with skin or food. Avoid inhaling vapors in enclosed areas and closely follow directions for use around children.)
- Do not store damp rags or sponges in dark closets. Store all brooms and mops with the handle down.
- Do not allow grease to build up on the stove tops, fans and burners, or in the oven.
- Once every three months, move all major appliances, i.e. refrigerator and stove, and thoroughly wash the floor and wall behind them. Please be careful not to tear or damage the flooring. Use insect spray before replacing appliances.
- During the fall and winter months, mice may migrate inside. Setting mouse traps is a very effective way to solve this problem. Residents are responsible for buying and setting their own traps.

**PLAY AREAS**

A play area and equipment are provided in Brooklane Village. This equipment is unsupervised and the university assumes no responsibility for use of the facilities. Parents are required to supervise their children while in the play area. Climbing on or over fences is never allowed. Residents are responsible for reporting all safety hazards, damages, and needed repairs to Facilities Management at 509-963-3000. The playground located just north
of the daycare playground is open and available to all Brooklane Village residents and their children.

RECYCLING
Recycling bins for cardboard, paper, aluminum, and glass are located in each complex. Most recycle bins are located next to garbage dumpsters, but some areas share a central location. All types of paper can be mixed in the same bin, and different colors of glass do not need to be separated. Please empty containers of liquid before recycling, and only recycle cardboard and paper that is free of food or other contaminants.

SCREENS AND WINDOW STOPS
The university considers screens and window stops safety equipment. Removal of or damage to these items may result in disciplinary action, eviction, and/or a university fine of $50.

SNOW REMOVAL
The university removes snow from the apartment parking lot areas. Residents are responsible for snow removal from their front doors to the parking lot. Snow shovels, sand, and de-icer can be obtained from the apartment complex coordinator or apartment managers. Any student registered with Disability Support Services should contact that office to make arrangements for snow removal.

UTILITIES
Apartment rates include water, heat, electricity, sewer, refuse services, and Internet.

APARTMENT POLICIES AND EXPECTATIONS
Why are policies necessary? Apartment policies exist to help create an environment that is conducive to your needs for safety, studying, socializing, and sleeping. Let’s face it—you will spend more time in your apartment than any place on campus. We want to ensure that your apartment experience promotes your success at Central!

ABANDONED PROPERTY
When students leave property in the residence hall room or apartment, Housing and Residence Life staff will remove the property at $45 per hour. Additionally, a storage fee of $10 per day is charged to the student for a maximum of 60 days. If the property is not claimed at the end of 60 days, it is considered abandoned property and the university disposes of this property.

If a student wishes to claim their property during the 60 days, he/she is required to contact the Housing and Residence Life office at 509-963-1831 to make arrangements.

ALCOHOL AND OTHER DRUGS
Central Washington University’s policy on alcohol (in all forms, including powdered alcohol) follows all local, state, and federal laws. Open containers of alcohol are prohibited in all public areas such as parking lots, common hallways, apartment exteriors (i.e. porches, patios, courtyards, and landings), playgrounds, and parks. A minor in possession or consumption of alcohol is an illegal act and will be handled by the proper authorities.

The university’s policy regarding the possession and consumption of alcohol and other drugs on campus was developed in keeping with Washington State law and the governor’s policy on alcoholism and drug dependency. It is important to note that a majority of disciplinary problems and a large number of academic problems faced by students are alcohol related. The following is a list of points that summarize enforcement of the alcohol and drug policy in the apartments:

- Controlled substances are not permitted in apartments (i.e. illicit drugs, improper/misuse of prescribed medications, and drug paraphernalia).
  - No one under the age of 21 will possess or consume alcohol in the apartments.
  - Residents and guests over the age of 21 may possess and consume alcohol in the privacy of their apartment with the door closed. The guest must be age 21 or older.
  - Residents and guests over the age of 21 who have roommate(s) that are underage are reminded of the legal liability placed on them.
  - Residents may not consume alcohol in public areas or in the room/apartment where all occupants of the room/apartment are under 21 years of age.
  - Residents age 21 and older shall not furnish alcohol to minors.
  - Home brewing of alcohol is not permitted in the apartments.
  - Kegs, “party balls,” tap systems, and similar large volume common source containers are prohibited. Additionally, large quantities of alcohol are not permitted.
  - Residents who come back to the apartments in an intoxicated state and/or violate apartment policy, will be held responsible for violating those policies and all alcohol policies that apply.
  - Marijuana, including medicinal marijuana, is not allowed in any CWU facility or on the CWU campus.

Off-campus violations of underage drinking may be referred to the CWU Office of Student Rights and Responsibilities for sanctioning through the discretion of local court officials or law enforcement agencies.

ANIMALS
Students are not allowed to have animals in the on-campus apartments or residence halls except for aquarium-bound fish. Tanks may be no larger than 25 gallons. Residents must maintain responsibility for the aquariums at all times. Animals not approved through this process will be considered “pets” and are not allowed in a university housing building (excluding aquarium-bound fish in tanks that may be no larger than 25 gallons.) Violators of this policy may be subject to disciplinary action, eviction and/or cleaning fees up to $500 associated with damages.

Other animals, such as companion, therapy, emotional support, comfort and “psychiatric service” animals that are not specially trained to perform a disability-related service may not be allowed in CWU residence halls and/or university-owned apartments. All animal emotional support requests will go through Disability Services and based on the recommendation from their office, the request will then be sent to Housing and Residence Life for further review. Qualified “service animals” (as defined by state and federal law) are allowed on the CWU campus and in Housing and Residence Life facilities.

Determination of eligibility is made on a case-by-case basis by Disability Services/ADA compliance officer and Housing and Residence Life. The care of an approved animal is the student’s responsibility.

Central Washington University complies with all federal and state fair housing laws and regulations which are applicable to university housing, including those related to assistive animals. The United States Department of Housing and Urban Development (HUD) compliance guidelines define assistive animals as those that are verified by a qualified medical professional that the service animal accommodates the disabling condition and the rationale for the use of the service animal.
Inoperable vehicles:

Police Services or at a parking kiosk. Residents may only drive on access area or lawns. If a van damages the lawns, the resident occupying the vehicle is responsible. Delivery truck drivers are not permitted to drive their trucks on the sidewalks. No motor vehicles, including motorcycles or mopeds, will be permitted to park on sidewalks, access malls, or lawns. If a non-functioning vehicle is on campus, it will be impounded. If a resident has a vehicle in this condition that needs additional fees for damages. Residents may only drive on access area or lawns. If a van damages the lawns, the resident occupying the vehicle is responsible.

Bicycles:

Because of ventilation, electrical, and noise problems, Housing and Residence Life does not allow certain appliances in the apartments. Specifically, washers and dryers are not allowed in the apartments. Other appliances are acceptable if they run on a 110 volt current. Should the power go out while running several appliances at the same time, check the circuit breaker box. If problems continue, please call Facilities Maintenance at 509-963-3000 for assistance.

If potential problems exist with university appliances, wiring, or electrical systems, notify Housing and Residence Life. After business hours, notify the apartment manager. Additionally, it is recommended that surge protectors be used for stereos and/or computers. Avoid overloading outlets with too many cords, and do not use extension cords with frayed wiring or poor connections. Check the wiring and casing on appliances.

Barbecues/Combustible Materials:

Built-in barbecues are available at Student Village and Getz-Short apartments and are the ONLY ACCEPTABLE means of outdoor cooking in these complexes. Barbecue grills are allowed in Brooklane Village as long as the resident is with the lit grill at all times. Propane barbecues are allowed but are not encouraged due to storage concerns. Barbecue grills and combustible materials such as propane, gasoline, kerosene, and items containing combustible materials (i.e. lanterns) are not permitted inside the apartment (including storage closets/units).

Bicycles:

WAC 106-116-901 is the guideline for on-campus bicycle safety, parking, and traffic regulations. Residents must follow specific regulations while operating bicycles on campus. For the safety of the residents, bicycles must never be parked/transported in stairwells, hallways, sidewalks, or any place that would create a safety hazard, hinder the exit from buildings or apartments, or interfere with pedestrian traffic. Bicycles parked on paths, sidewalks, stairwells, or catwalks, locked or chained to trees, street, or university signs may be impounded. Bicycle racks are provided in Getz-Short and Student Village. Eye-hooks are installed on Brooklane Village front porches for bicycle locking purposes upon request to the apartment complex coordinator. Due to potential risk of bicycle theft, Housing and Residence Life recommends that bicycles be registered with Public Safety and Police Services.

Cars/Vehicles:

Driving on sidewalks, access malls, or lawns: Driving on sidewalks and lawns is strictly prohibited. No motor vehicles, including motorcycles or mopeds, will be permitted to park on the planted areas on university property. Advise moving van and delivery truck drivers not to drive their trucks on the sidewalks or lawns. If a van damages the lawns, the resident occupying the apartment will be charged. Violators are subject to a $20 fine and additional fees for damages. Residents may only drive on access malls with a mall permit which is available at Public Safety and Police Services or at a parking kiosk. Inoperable vehicles: Vehicles that are non-functioning may be impounded. If a resident has a vehicle in this condition that needs storage, he/she needs to contact Housing and Residence Life for assistance.

Parking: Each licensed driver, who is a legal resident of the university-owned apartments and drives a vehicle, is required to complete a CWU vehicle registration form at the time of check-in. Limited parking areas within the apartment complexes, called Apartment Parking Zones (APZ), require permits. APZ permits are free of cost to leaseholders. Those residents who wish to park on all other campus parking lots must pay to obtain a permit from the Parking Office. Parking areas designated for disability permits are located within the apartment complexes. Should a resident require a disability parking permit, he/she needs to contact Disability Services.

Parking spaces normally exist for one car per leaseholder; however, availability is not guaranteed. All vehicles parked on university grounds must be operable and have valid current license plates. “Operable” means the vehicle must have air in the tires and have all major components intact, including windows and windshield. Vehicles must not be used for storage purposes.

The following regulations apply specifically to the individual complexes:

Brooklane Village APZ permits will be limited to the number of parking spaces available. Two permits per apartment will be issued in those courts which have 28 or more spaces. In courts that have less than 28 spaces, two permits will be given to those in two- and three-bedroom apartments and one permit to those living in one-bedroom apartments. Guests without permits are required to park in the visitor parking area at the Early Childhood Learning Center at no cost. Vehicles left in the visitor parking lot for longer than 48 hours are subject to a parking violation. Because of concerns with child safety, the speed limit within the courts is limited to five miles per hour.

Getz-Short residents will be issued one APZ permit to each student owning a vehicle. Parking is available on a first come, first served basis. Additional parking is available on the city streets if an RPZ (Ellensburg Residential Parking Zone) permit is obtained. RPZ permits can be obtained at Ellensburg City Hall.

Residents with recreational vehicles, boats, camp trailers, campers, snowmobile trailers, etc. parked in any university-owned apartment complex area, are in violation of the lease agreement. Housing and residence Life has a gravel parking/storage area in Brooklane Village. This parking area is for residents living in university-owned apartments and will be designated for recreational vehicles and small personal storage sheds. The fee for a parking space will be $25 per year (no partial year). The fee is good from September 1st through August 31st, at which time renewal of the parking space for an additional year is due. Residents may lease a parking/storage space by completing a form in Housing and Residence Life. The fee will then be assessed to the resident’s account. When residents move out, they must remove the storage shed and other property, or it will be removed by Housing and Residence Life personnel. Labor costs involved in removing abandoned property will be charged to the resident’s account.

Central Washington University assumes no responsibility for vehicles/possessions stored in the designated recreational vehicle parking area. This area has been constructed for the convenience of residents living in a university apartment to store recreational vehicles and other possessions and to lessen the congestion and improve the appearance of other parking and general-use areas.
Parking decals: Resident vehicles must have an approved apartment parking decal. These can be obtained through Police and Parking Services located on Wildcat Way in the Public Safety Building located in parking lot O5. These decals expire on an annual basis. Residents of Brooklane Village, Student Village, Getz/Short and Wahle are required to have an APZ permit to park in their apartment parking lots. Permits are to be displayed on the passenger-side front lower portion of the window. Trucks or other vehicles without visible rear windows should place the permit on the right side of the front window. Permits must be returned by the apartment lessee at the time of check-out. Permits are only valid for the complex in which the resident lives. Motorcycles are required to have an APZ sticker and must be parked in designated motorcycle areas.

Car repairs: Residents cannot use the parking lots for car repair that involves the changing or leakage of fluids from the vehicle or results in a safety hazard for other residents. Examples of safety hazards include unsupervised cars on jack stands and loose, sharp auto parts. Violations could result in a $50 fine and cancellation of the lease agreement.

COMPLIANCE WITH UNIVERSITY OFFICIALS
Residents are required to comply with the requests of university officials at all times. These officials include professional and student staff members of Housing and Residence Life, Public Safety and Police Services representatives, Student Success staff, and facilities maintenance staff.

COMMUNITY SPACE
It is the responsibility of each tenant to maintain the cleanliness and function, as well as the using the space in appropriate ways of all community living space for the purposes of socializing, studying, recreation, and programming. Students are not permitted to sleep overnight in any community space. Never is a pornographic theme appropriate.

DAMAGES TO ROOMS AND PUBLIC AREAS
Residents are accountable for damages which occur as a result of personal negligence or vandalism. When found to be responsible, a resident may be charged for damages occurring in public areas as well as in their apartment. All damage charges are billed to the resident’s account.

The resident agrees to keep the residence, including the sidewalks and stairways adjacent to, in a clean and sanitary condition and to comply with the laws and ordinances relating to sanitary conditions. The resident agrees to keep all drainage pipes free and open and to protect water, heating, and all other pipes, so they will not freeze or become clogged.

The resident will not permit waste, damage, or injury to the property and will keep the grounds upon which the property is situated in good order and not let or permit any rubbish to be accumulated. At the request of the university, the resident shall be required to remove, at their sole expense, anything in or about the premises which is determined by the university to create an unacceptable hazard to person or property.

Each resident is personally responsible and liable for the cost of cleaning, replacement, and/or repair to the structure in which they are housed and all damages to (except for reasonable wear and tear as determined by the university) or losses of any university property furnished. All repairs must be completed by facilities maintenance personnel. No self-repairs are allowed.

Residents may appeal all damage charges within 10 working days of the billing for these charges. To appeal, simply state the objections in writing, and mail or deliver to Housing and Residence Life, Central Washington University, 400 E University Way, Ellensburg, WA 98926-7513. Residents can also send an email to housing@cwu.edu.

DROPPING OR THROWING SUBSTANCES OR OBJECTS FROM WINDOWS
For the safety of everyone, residents are not allowed to drop or throw objects from or at apartment windows, balconies, and/or ledges. This includes bodily fluids, snow, or substances of any kind. Residents must also refrain from throwing objects through windows from the outside. (This policy includes throwing keys to friends outside.) Violations of this policy may result in a $50 charge to the resident’s account and/or disciplinary action. Exiting is prohibited unless it is an emergency.

EVICITION
A notice of eviction may be given for violations of the lease agreement and/or the university rules and regulations. In many instances, the eviction process is started because of delinquent payment of rent. Rent charges are due the first of every month. A late fee of $50 is assessed on the 10th of each month if the rent has not been received. If the rent is not received by the 10th of the month for the second consecutive month, the eviction process is started. A resident who is served with a notice of eviction by Public Safety and Police Services must remedy the violation or move from the apartment. When the eviction process is started, an additional $50 administration fee will be assessed. Multiple violations of rules and regulations or delinquency of payment can result in the lease being terminated.

FIRE AND CARBON MONOXIDE SAFETY EQUIPMENT
Damaging or tampering with fire alarm apparatus and/or carbon monoxide equipment (i.e. sounding false fire alarms—RCW 9.40.100) is prohibited. FIRE EXTINGUISHERS are strategically located in each apartment. Carefully follow the instructions on the extinguisher and use them ONLY in the event of a fire. SMOKE DETECTORS also are sensitive pieces of fire equipment. Actions that result in the activation of a smoke detector, tampering with fire alarm apparatus and/or carbon monoxide equipment (including removing batteries from smoke detectors or disabling smoke and carbon monoxide detectors), or false alarms may result in criminal penalties, as well as university disciplinary action, and/or up to a $100 fine.

FURNITURE
University-owned furniture moved from an apartment without written authorization from Housing and Residence Life may result in a charge of $50 (or actual replacement cost, whichever is greater) and a potential conduct meeting. Student Village and Wahle apartments are rented as partially furnished. Partially furnished is defined as: one bed, one desk, and one chair per bedroom. Sometimes one chest of drawers will be provided.

FUTURE REGULATIONS
The university reserves the right to make new rules and regulations as may be appropriate or necessary for the safety, care, and cleanliness of the premises and residents. Future policies will be announced by letter, postings, and/or through newsletters.

GUEST POLICY
Residents are more than welcome to have guests; however, if guests are staying longer than five days per month, residents must obtain written permission from Housing and Residence Life. Residents who violate this rule are subject to termination of their lease agreement and/or a $500 fine. Unwanted guests should be reported to the apartment manager and/or Public Safety and Police Services. The lessee is responsible for the conduct and behavior of their guests while they are visiting the apartment community.
Residents are encouraged to use good judgment in the choice of both their guests and their activities. Violation of the policies outlined in the lease agreement and/or this handbook by a guest will be held against the lessee and could result in conduct action and cancellation of the lease agreement.

Cohabitation is defined as a resident, contracted for that apartment, sharing their space with a person who is not assigned to that apartment. Cohabitation that includes behavior that infringes upon the roommate’s and/or living community members’ right to privacy, sleep, and/or study is PROHIBITED and, when brought to the attention of residence hall/apartment staff, may result in action as described in the student code of conduct.

**INCENSE AND OPEN FLAMES**
Because of the risk of burning incense or an open flame left unattended, the use of such is prohibited in university-owned apartments. Candles or lanterns may not be used even in the event of a power outage. Residents are encouraged to have flashlights or similar devices to provide emergency lighting.

**LEDGES AND ROOFTOPS**
For resident safety and to protect against building damage, residents and their guests are never permitted on rooftops or ledges. Violation of this policy may result in disciplinary action and/or a university fine not less than $50.

**LOCK OUTS AND KEYS**
Do not loan apartment or laundry keys to a non-resident. Duplication of university keys by an outside vendor is strictly prohibited and could result in cancellation of the lease agreement and a re-key expense to the lessee. Residents who lock themselves out of their apartments should attempt to contact their roommate(s) first. If unsuccessful, contact the Residence Life Office during business hours (Monday through Friday 8am to 4pm) and the manager on-call after hours (509-201-6112). If upon request, produce photo identification to verify tenancy. If a resident locks themselves out two or more times per quarter, there may be referral to Student Rights and Responsibilities, fees, and termination of the lease agreement.

**PERSONALIZING SPACE AND DECORATION GUIDELINES**
Each year, students want to decorate their living space. To ensure the safety of all, Housing and Residence Life has certain apartment decorating guidelines/policies that need to be followed.

**LIGHTS**
- All decorating lights need to be approved by the Underwriters Laboratory (UL-94 rating).
- Decorative lights that are UL approved are allowed in university-owned apartments; these lights should not have cords over heaters, under doors, or where they could be burned or frayed. Residents should be cautioned about the use of lights in their apartments and avoid placing them close to drapes or other flammable materials.
- Decorative lights on the outside of apartment doors should not have cords going under or over doors where they could become frayed.
- The apartment complex coordinator will have final approval for all external lighting on the outside of a building. Residents are not permitted on any apartment roofs.
- Decorative lights should be kept off during daylight hours and after midnight to conserve energy.

**TREES**
- No live cut trees are allowed in university-owned apartments.

**DECORATIONS**
- No lit candles are allowed as decorations.
- Decorations may not be hung near lights or other heat-generated devices.
- Decorations that are flammable in any way cannot be hung from the ceiling or protrude around doors in a 3-D fashion — these are major fire hazards.
- Be aware of the location of the nearest fire extinguisher to heavily decorated areas.
- Fire equipment boxes, stations, bells, alarms, and exit signs must be kept clear.
- Spray snow is acceptable in apartments. (Custodial staff is not expected to clean windows due to spray snow residue.)

**FURNITURE**
- No indoor furniture should be placed outside the apartment unit.
- Patio or lawn furniture is permitted where space allows.

**RECOMMENDATIONS**
- Pay attention to flammable items next to heaters and heat producing lights.
- Any questionable decorations (flammable) that are not listed on this policy should be forwarded to Housing and Residence Life at 509-963-1831.

**POOLS**
Residents can use temporary, moveable pools outside for recreational use as long as they are watched by an adult during all times that the pool is filled with water. When not in use, the pool must be stored out of sight.

**PRIVATE ENTERPRISE**
The assignment or lease of any university property excludes the right to use the premises for business purposes, storage of salable commodities, or any purpose other than as a personal residence.

**PUBLICITY AND LITERATURE**
The distribution of free literature or commercial advertising is prohibited to individual apartments or apartment complexes (WAC 106-140-034). Only U.S. Postal Service mail, individually addressed to the residents of the apartment, and official university memorandums approved by the senior director of Housing and Residence Life and/or designee will be distributed. Local newspapers (e.g. Daily Record, Yakima Herald Republic, etc.) may seek approval for occasional placement of newspaper samples in apartment complex laundry rooms.

**QUIET HOURS/NOISE ORDINANCE**
The City of Ellensburg has a noise ordinance enforced by Public Safety and Police Services addressing noise complaints any time between the hours of 10 p.m. and 7 a.m. Residents and their guests in violation of the city noise ordinance may be cited by police and/or face university disciplinary action. The city noise ordinance is consistent with quiet hours established by the apartment community. Residents are responsible for maintaining a noise level satisfactory to other community members. During “quiet hours,” the level or volume of noise must be contained within the confines of the apartment. If noise is heard beyond the apartment walls and doors, residents are responsible and may be addressed by a neighbor, staff, and/or Public Safety and Police Services representative. As in all situations, cooperation is expected in resolving the matter. The university asks that residents always observe “courtesy hours” when quiet hours are not in effect. Courtesy hours are those times when a resident needs quiet during non-official quiet hours. A student’s right to quiet supersedes a student’s privilege to make noise. Apartment staff may assist in mediating disputes over differing perceptions of acceptable noise levels.
REMOVAL OF OBSTRUCTIONS
The university reserves the right to remove any obstruction (bikes in stairwells, storage of items in front of patio doors, etc.) which may create a hazard or unsightly appearance. These items will be disposed of if not reclaimed in 60 days. The resident will be charged for labor and materials used to remove such items.

RESNET, ACCEPTABLE USE POLICY, AND VIOLATION PENALTIES
Please refer to the following website for the most up-to-date guidelines and regulations: cwu.edu/resnet.

RESTRICTED AREAS
Residents are prohibited from walking on any roof in an apartment complex. Machine and electrical rooms and offices and storage rooms are OFF LIMITS. Climbing on utility boxes, dumpsters, or dumpster enclosures is also prohibited.

ROOMMATES SPACE
Each roommate is required to sign a lease with the same rights and responsibilities. Each roommate must also maintain a deposit. If a person is living in an apartment without university approval, each lessee is subject to eviction and a $500 fine. The apartment complex coordinator and apartment managers will provide support and assistance to roommates in resolving conflicts. Each roommate has a responsibility to report any violations occurring in the apartment. In addition, violation of roommate agreements that are established with the apartment manager could lead to additional sanctions including a possible move from the apartment.

SECURITY
Residents strive to create friendly communities, but personal security should be a concern of all residents. Immediately report any suspicious activity to the police by calling 911. If a key is lost, please report it to the apartment complex coordinator or apartment manager immediately. Broken locks or window latches should be reported to facilities management immediately. Dowels for window and sliding glass door security are available from the apartment complex coordinator or apartment managers. Home security or alarm systems are not permitted.

SEXUAL HARASSMENT
Consistent with the university’s policy on sexual harassment, the apartment communities maintain a living environment which is free from sexual harassment. An individual found in violation of this policy will be subject to informal or formal disciplinary action.

SKATEBOARDS, BICYCLES, AND SCOOTERS
The use of bicycles, electric bicycles, skateboards, nonmotorized scooters, electric scooters, and in-line skates are allowed only as a means of transportation on pedestrian malls, sidewalks, walkways and vehicular traffic ways of CWU. Anyone using a bicycle, electric bicycle, skateboard, nonmotorized scooter, electric scooter, or in-line skates on CWU property shall give right of way to any pedestrian and shall travel at a reasonable and safe speed. Under no circumstances will bicycling, skateboarding, or in-line skating be allowed in apartment interiors or on ramps, curbs, benches, steps or stairs, or other such structures.

SMOKING AND TABACCO PRODUCTS
In accordance with state law, smoking is prohibited within 25 feet of all university buildings. This includes balconies and stairwells to apartments or public areas. Out of common courtesy and in accordance with State Law, we ask that smokers refrain from smoking near entrances and other people’s windows and to properly dispose of cigarette butts in appropriate receptacles. Hookahs of any type are not allowed to be activated inside apartment spaces. Also, for those that use coals, it is reminded that used coals should not be brought into the apartments. Electronic cigarettes and vaping devices are not allowed to be used inside apartment spaces either. Residents may establish further policies regarding the distance one can smoke from the buildings. Fines can be assessed to clean drapes for those who violate smoking policy.

All current Washington State Law, including possession of chewing tobacco, e-cigarettes, vaping devices, etc., is applicable at the time of instatement.

SOLICITATION AND POSTING
Housing and Residence Life attempts to support a resident’s desire for privacy by restricting any door-to-door sales or solicitation. All solicitation is prohibited regardless of the purpose or nature of the sponsoring organization. Organizations may not solicit in the apartments unless directly related to apartment living and approved by Housing and Residence Life. Organizations not related to Housing and Residence Life may have material posted provided they have been approved and stamped by the Scheduling Center and Housing and Residence Life. Please call the apartment complex coordinator or apartment managers if unwanted solicitors are in the apartment complexes.

STAIRS AND STAIRWELLS
Stairs and stairwells must be kept clear at all times for the purpose of providing safe exits. Toys, boxes, newspapers, plants, bicycles, garbage, etc. must not be left on stairwells. Motorcycles and mopeds may not be parked in stairwells or on patios at any time.

STORAGE UNITS
With the exception of Brooklane Village, storage units are not supplied by the university. Stand-alone storage units can be placed on the RV storage area at Brooklane Village for a cost of $25 per year. Storage units cannot be placed in any other location. No personal belongings can be stored next to apartment buildings. Many businesses in Ellensburg rent storage units, and a list is available in the local phone book.

TRESPASSING
Individuals with no connection to apartment residents will be asked to leave the apartment complex. Guests of residents, whose behavior is not appropriate for the community, may also be asked to leave by the apartment manager and/or Public Safety and Police Services. Residents are responsible for the behavior of their guests. The university also reserves the right to deny access of apartments to non-residents at any time.

VIDEOCASING AND CAMERA USE
No person may tape, audio record, take photographs of, capture images of, or otherwise view any person in a private location without the knowledge and express consent of the subject or all parties. No person may distribute or share photos or recordings of sexual activity or nudity in a private place without the knowledge and express consent of the subject or all parties. Private locations include, but are not limited to, residence hall rooms, students apartment and common areas, bathrooms, lounges, and other areas where residents have a reasonable expectation of privacy.

WATER AND CAR WASHING
Outside water is available for gardens and recreational use. Many spigots require a water key which can be issued by the apartment manager. Outside water will be turned off from late October until mid-June, depending on weather conditions, to avoid freezing problems. A designated car washing area is available for all apartment residents at the Brooklane pump house, located to the left of the Brooklane entrance area. Residents will need to provide their own soap and washing materials. Please leave the hose there when finished. It is preferred that cars are washed here to reduce mud problems around the complexes.
WATERBEDS
Due to potential damage from leakage and weight, waterbeds are not allowed in university-owned apartments.

WEAPONS
For the protection of everyone, Central Washington University has a strict firearms policy—WAC 106-124-700. No person shall have in his/her possession any gun, pistol, firearm, explosive, dangerous chemical, or other dangerous weapon or instrument on university-owned or leased property. This includes BB guns, air soft guns, pellet guns, paintball guns, as well as archery equipment, long knives, and swords.

Anyone arriving on campus with a firearm must take it directly to the Public Safety and Police Services Department at 14th Avenue and Wildcat Way (O-5 Parking Lot). A police officer will check the firearm in and out of the university-provided storage vault. The resident has 24-hours-a-day access to his/her firearm and may check it out on his/her way off campus. This service is offered free of charge.

Ammunition cannot be stored in apartments. Ammunition should be stored in a vehicle or at an off-campus location.

WARNING: Violators of this law shall be subject to appropriate disciplinary or legal action, including possible termination of the violator’s lease agreement. Exceptions to the firearms policy are noted in WAC 106-124-700.

Residents and their guests may enter buildings only through doors designated for entry. Entry through windows is prohibited.

YARD SALES
Residents may have periodic yard sales at their apartments with apartment staff approval. It is encouraged that residents plan yard sales together and publicize in the local newspaper with apartment staff approval.

DISCIPLINARY PROCEDURES AND SANCTIONS
Housing and Residence Life, in conjunction with the Office of Student Rights and Responsibilities, addresses residence hall behavioral problems. Below is the typical Student Rights and Responsibilities Process:

• The Office of Student Rights and Responsibilities receives reports from various entities including University Police Department, Ellensburg Police Department, Housing and Residence Life staff, faculty, or other students.
• All reports received are reviewed and followed up on by professional staff in the Office of Student Rights and Responsibilities.
• If a report suggests that a student may have been responsible for violating the CWU Student Conduct Code or any other university policy, the Office of Student Rights and Responsibilities will schedule a University Conduct Hearing for that student with an appropriate University Conduct Hearing Officer.
• If a report suggests that a student may be in distress or in need of additional support or resources, the Office of Student Rights and Responsibilities will work to connect the student with Case Management or other appropriate campus resources to assess the student’s needs and help provide the necessary assistance for the student.
• The student will receive a notice letter and email with the date, time, and location of your hearing as well as information detailing the alleged date and policies that they may have been responsible for violating.

• At the University Conduct Hearing, the student is given the opportunity to explain their perspective on the incident and share any additional information they may have. If a student does not attend their meeting, a hold will be placed on their student account until they meet with their hearing officer.
• The University Hearing Officer will decide the outcome of the hearing based on the conversation, the initial report, and any other available information using the preponderance of the evidence.

All disciplinary records are part of your student record. Your disciplinary records are destroyed after 7 years from your last day of attendance. They are in no way connected to your academic file and you can request your disciplinary file from Business Services by completing a public records request.

The Office of Student Rights and Responsibilities is located in Bouillon 204. They can be contacted at 509-963-1515 or at dean. studentsuccess@cwu.edu.

DUE PROCESS RIGHTS
All Central Washington University students are guaranteed the right to due process. Students have protection through orderly procedures against arbitrary or capricious actions or decisions by University authorities. Due process is recognized as essential to the proper enforcement of University rules.

• Any individual can file a report to the Office of Student Rights and Responsibilities concerning a potential policy violation or concerning behaviors.
• Any student who may potentially be in violation of university policy shall receive written and electronic notification from the Office of Student Rights and Responsibilities that informs the student of the specific policies they may have been responsible for violating and the date of the alleged incident. The notification will have a specific time, date, and location of the student’s required Student Conduct Hearing with a University Hearing Officer to discuss the situation.
• The Student Conduct Hearing will allow the student the opportunity to review the Student Conduct Code, review the allegations, and provide an opportunity for the student to share his/her side of the incident.
• Based on the information gathered throughout the investigation and during the Student Conduct Hearing, the University Hearing Officer will determine whether the student is responsible or not responsible for violating the university policy and will assign educational sanctions consistent with the level of offense.
• The student who is accused of the potential policy violation will be notified of the outcome either personally, electronically, or in writing.
• Students have the right to appeal disciplinary action taken through a Conduct Review Hearing or a Student Conduct Council Hearing.

DISCIPLINARY SANCTIONS
Once a student has a meeting, if the student is found responsible for violating the Student Conduct Code or other university policy, the University Hearing Officer may assign one or more sanctions based on the students’ previous conduct history and the level of the current offense:

- **CONDUCT REPRIMAND** - Official disciplinary warning.
- **DISCIPLINARY PROBATION** - An assigned status for a specific period of time in which further violations of the Student Conduct Code may put the student’s status with the University in jeopardy and may result in more serious sanctions being imposed.
- **DEFERRED SUSPENSION** - Due to the nature of the specific violation or the student’s conduct history, the outcome could be disciplinary suspension from the university; however, the University Hearing Officer elected to defer the suspension for a specific period of time in which any further violations of the Student Conduct Code may result in disciplinary suspension or expulsion.
- **DISCIPLINARY SUSPENSION** - Withdrawal and separation from the University for a specified period, generally for a full calendar year. This may include restricted access to campus and/or other specified activities.
- **CONDUCT DISMISSAL** - Withdrawal and separation from the University indefinitely without the possibility of readmission. This may include restricted access to campus and/or other specified activities.

**DISCIPLINARY APPEALS**

As a student at Central Washington University, you have the right to appeal a disciplinary action. No individual shall be penalized or retaliated against in any way by the university community for his or her participation in this complaint procedure.

- Documented violations of the controlled substance policy.
- Second or third violations of campus alcohol policies or state laws.
- Parents may be notified of a first-time violation of campus alcohol policies or state laws if it involves a medical emergency, vandalism, any violence, or gross disrespect of residence hall staff or law enforcement officials.
- Students will be required to attend an alcohol or other drug education and risk prevent class for first and possibly second-time violations. Failure to attend the class could result in required off-campus assessment. Third-time violation of policies and/or laws may result in suspension or deferred suspension if recommend by the CWU Student Conduct Hearing Officer.

Off-campus violations of underage drinking or other infractions may be referred to the CWU Office of Student Rights and Responsibilities for sanctioning through the discretion of local court officials or law enforcement agencies.

Any questions regarding parental notification, or to seek additional information regarding a parental notification letter that you may have received, can be directed to the Office of Student Rights and Responsibilities at 509-963-1515.

**FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

The Family Educational Rights and Privacy Act affords certain rights to students concerning their education records. The primary rights afforded are the right to inspect and review the education records, the right to seek to have the records amended, and the right to have some control over the disclosure of information from the records.

Education records are those records, which are 1) directly related to a student and, 2) maintained by an institution or a party acting for the institution. FERPA gives students who reach the age of eighteen or who attend a post-secondary institution the right to inspect and review their own records. An institution is not required to disclose information from a student’s education records to the parents of dependent students but may exercise its discretion to do so.

Section 952 of H.R.6, the Higher Education Amendments, allows institutions of higher education to disclose to parents violations of local, state and federal laws as well as institutional policies and rules governing use or possession of alcohol or controlled substances.
substances. Parental notification is one part of CWU’s sanctioning procedure for underage alcohol use and other university violations. The University reserves the right to contact parents regarding matters that concern students’ safety and wellbeing.

RELEASE OF INFORMATION

Parents, guardians or other family members wishing to contact the university regarding a student’s conduct, academic, or financial information must have a Release of Information on file with that specific student. This release states that the student gives a specific individual permission to access certain information regarding their student records. Without a release of information on file, no university official can share any information with anyone other than the specific student.

Students can change their release of information at any time and as many times as they would like by going to the Dean of Student Success Office in Bouillon 204 and filling out a new form.

FINANCIAL APPEAL PROCEDURE

The written petition must be filed within 10 days after the notice of assessment is sent to the student. Student organizations affiliated with the university may also be sanctioned under this code for the conduct of their student members.

(4) Nothing in this student code shall be construed as authorizing the university to prohibit or to discipline protected speech or other conduct that is protected by law or constitutional right.

II. PROHIBITED STUDENT CONDUCT

Prohibited student conduct includes engaging in, attempting to engage in, or encouraging or assisting another person to engage in, any of the conduct set forth in this section.    a. Cheating. Cheating includes any attempt to give or obtain unauthorized assistance relating to the completion of an academic assignment, including collaboration without authority.
   b. Plagiarism. Plagiarism includes taking and using as one’s own, without proper attribution, the ideas, writings, or work of another person in completing an academic assignment.
