The CWU Board of Trustees will provide time for public comment at each meeting. Following are guidelines for public comments. These rules may be changed or modified on the day of the meeting, at the discretion of the board.

1. The deadline for individuals to sign up to speak at regularly scheduled board meetings is by close of business three days before the scheduled business meetings. Each speaker must identify themselves and the topic he or she will be commenting on via email to cwu_president@cwu.edu. A schedule for special meetings will specify when comments must be recorded.

2. Individuals with a shared position or common agenda are encouraged to select a spokesperson for their group.

3. Individuals who sign up by the deadline will have a maximum of three minutes to speak. The three minute speaking time may be changed by the board chair, depending on the number of speakers. A speaker may not cede time to another speaker.

4. The time allotted for public comment will be no more than 3 minutes.

5. The order of speakers will be based on the order in which speakers sign up.

6. The board chair will declare when the public comment session is closed. No speakers will be accommodated after the session is closed.

7. Speakers may address any topic, except those that would fall under executive session as defined under RCW 42.30.110 and 140, such as real estate consideration, complaints or charges brought against a public employee, certain personnel issues prior to public disclosure, litigation, or collective bargaining or related contractual issues.

8. Speakers may only speak on a specific agenda item once and may not repeat comments at subsequent meetings. The board chair will determine whether comments are repetitive.

9. If a speaker raises an issue that would more appropriately be addressed by another individual or entity within the university, the board chair may stop the speaker and refer the speaker to that individual.

10. If a speaker addresses the Board in an uncivil or profane manner, the board chair may reduce or end the time allowed for that individual.

11. Individuals in need of interpreters or other special accommodations must contact the disability support services unit at least three business days in advance of the meeting.

12. Speakers may bring written copies of their own comments to a board meeting for distribution to the board members. Copies of the written comments shall be given to the board secretary who will ensure the appropriate distribution of the comments after the meeting. The content of the written materials must conform to limitations described in Rule 7.

13. Copies of written comments of individuals who cannot be physically present should be sent to the board secretary and will be included in the communications to the board. Written comments of individuals who cannot be physically present will not be read aloud at the meeting.

14. Attendees may not distribute written materials inside the meeting room except as described above.

15. The board retains the right to have removed disruptive attendees from the board meeting.
